# Downloading the BOOKR Class Mobile App

# The BOOKR Class Library Application

Student version

# Login with a Student Code

Parents and Teachers can log in with the email address and password they used during registration.

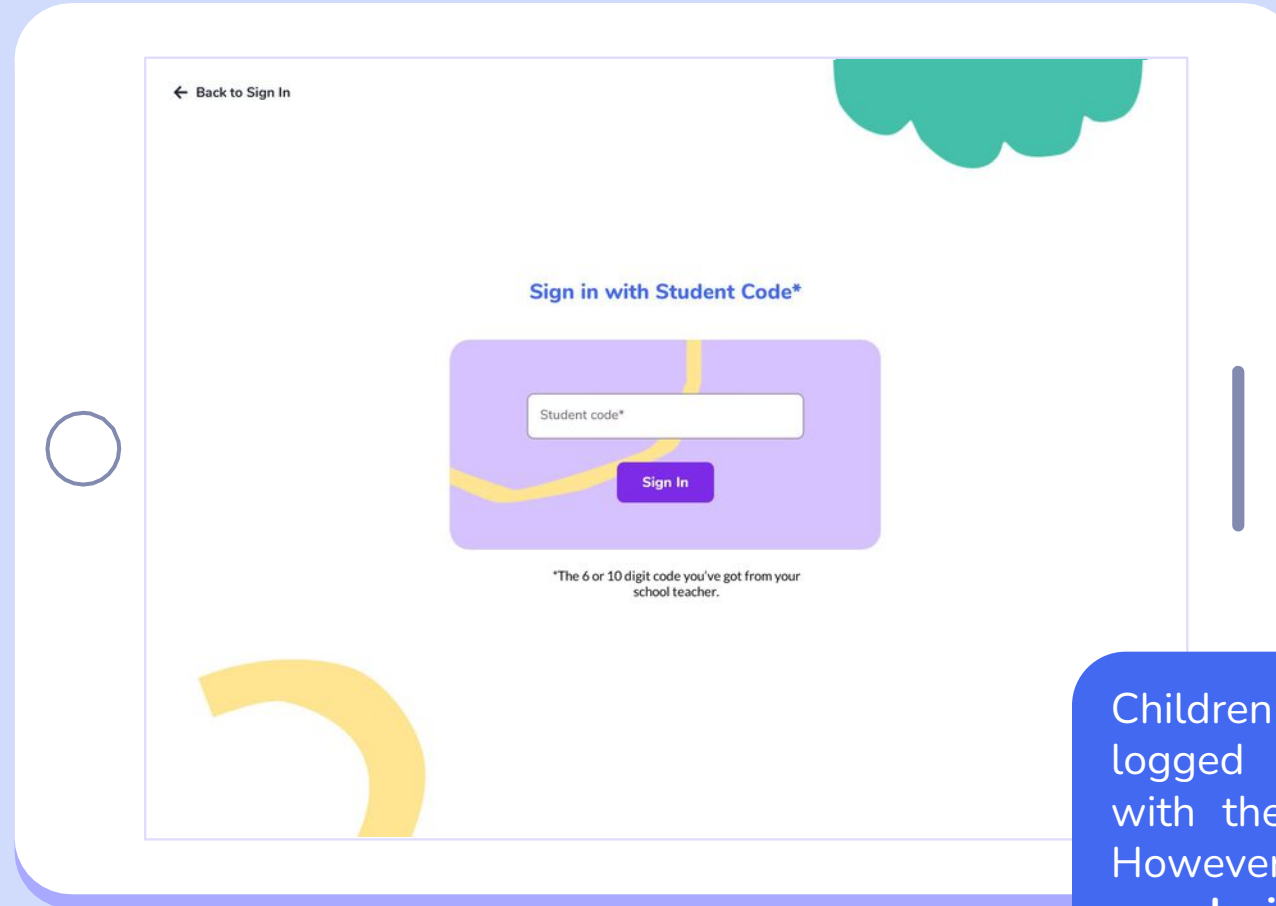

For more information go to the [Teacher and Parent View](#) slide.

The screenshot shows a login interface titled "Sign in". It features two main sections. The first section, "Sign in with username or email", includes input fields for "Username or email\*" and "Password\*" (with a "show" toggle), a "Sign In" button, and links for "New reader? Sign Up" and "Forgot password?". The second section, "Sign in With Student Code", includes a "Sign In With Student Code" button and a "Select Partner to sign in" button. A "Skip →" link is at the bottom right. A blue arrow points from the "Sign in with username or email" section to the left, and a red arrow points from the "Sign In With Student Code" button to the right.

**Students can log in with their individual 10-digit student code.**

# Login with a Student Code

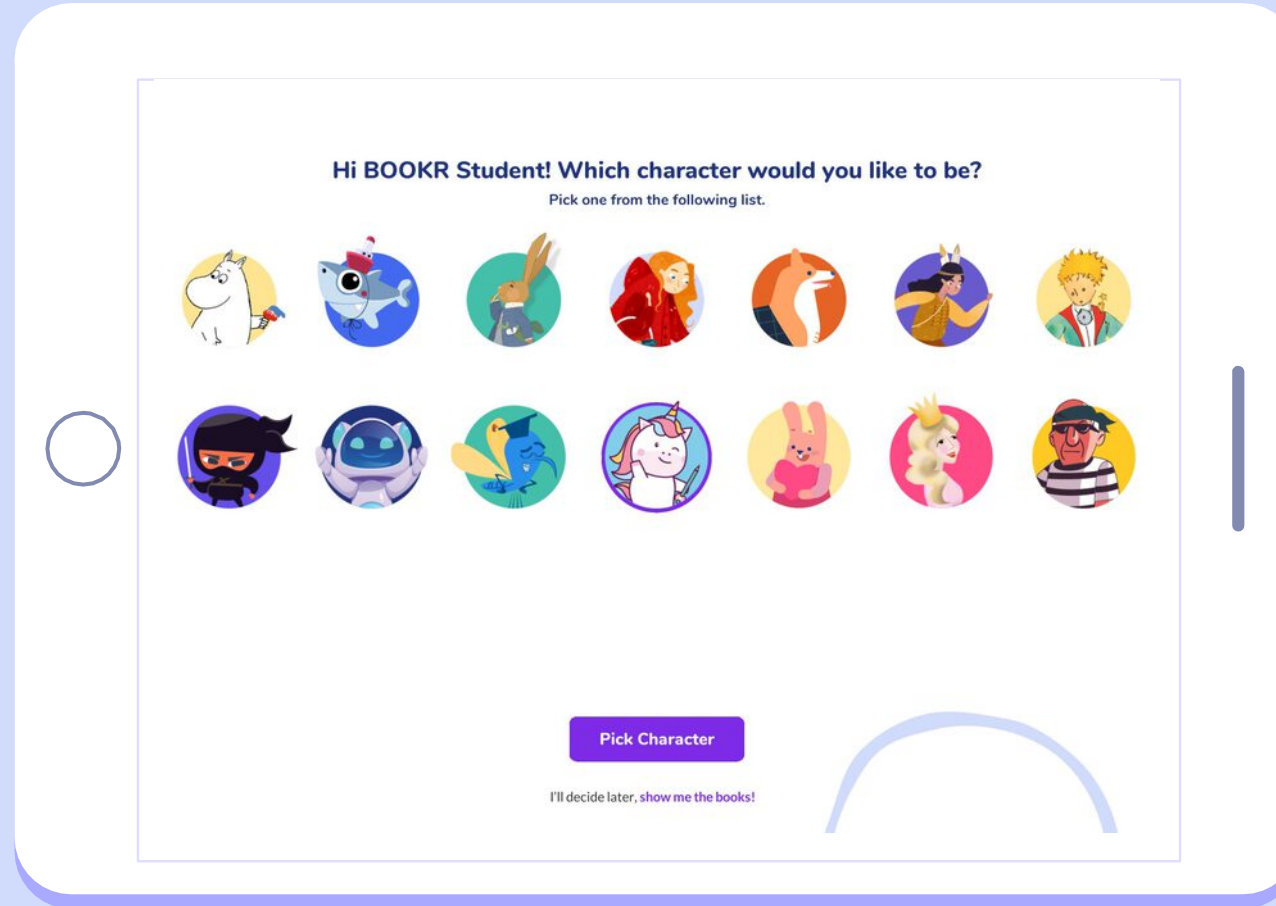

The student code is **automatically generated in the Teacher's Dashboard** once a student is added to the school by the teacher.

Children can simultaneously be logged into multiple devices with the same student code. However, **can only read on one device at the same time.**

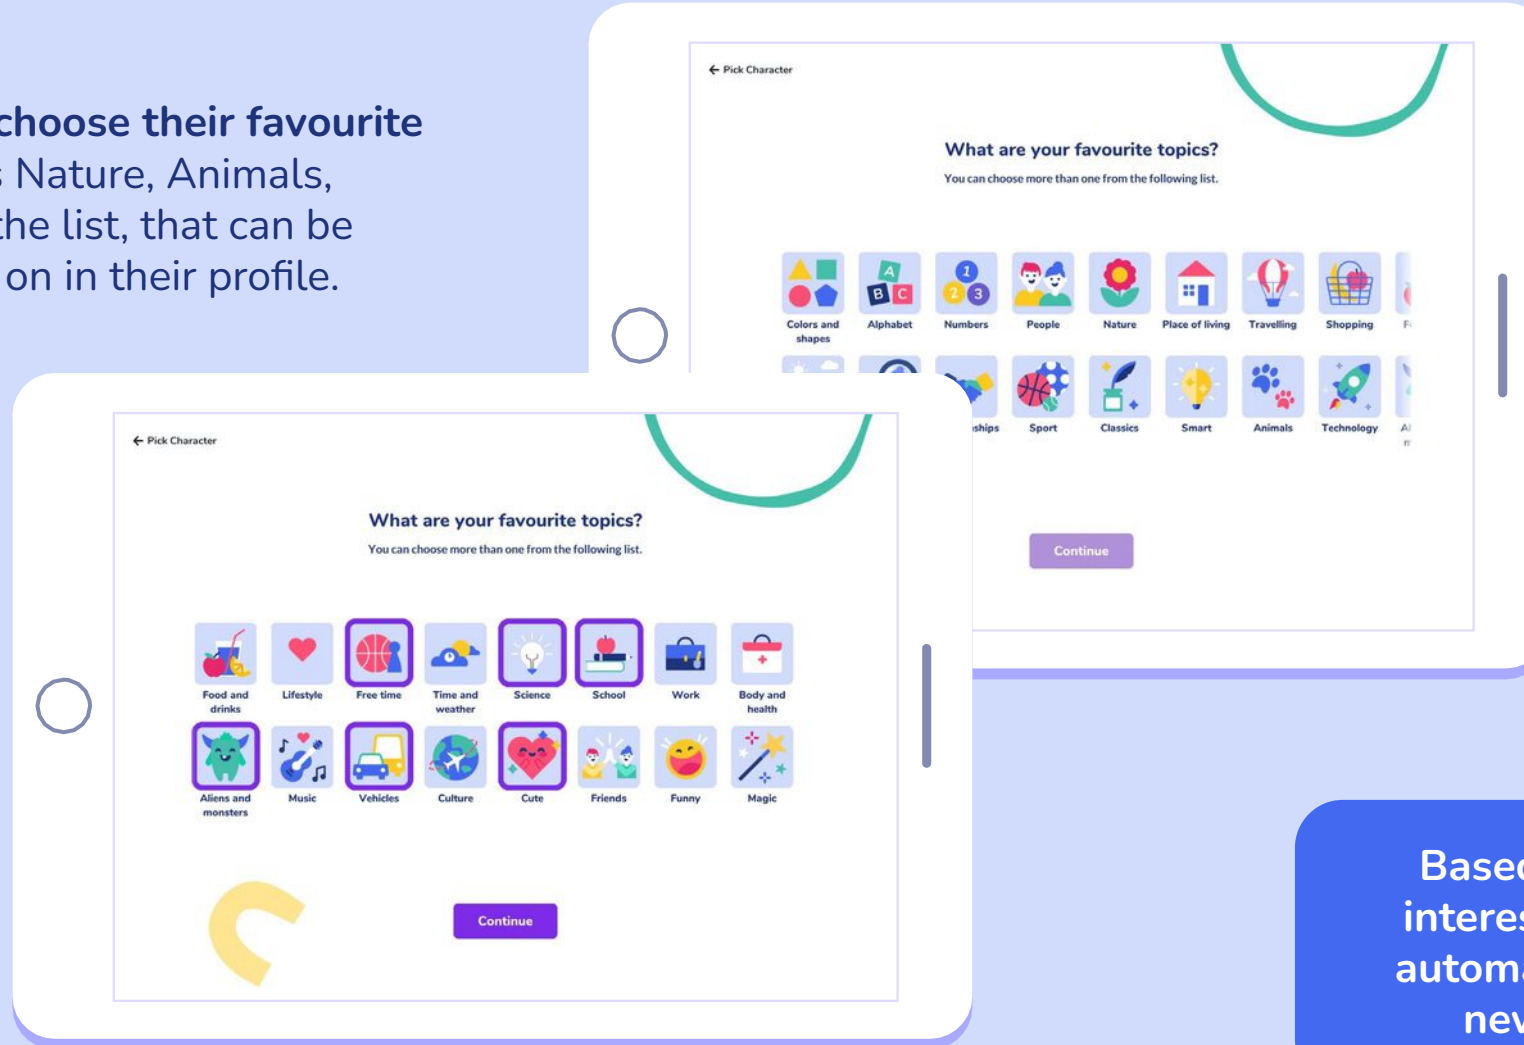

# First Login | Step 1 - Select your Avatar

When students log in for the first time, they can choose an avatar as a profile picture, which they can modify later on.

# First Login | Step 2 - Choose your Interests

Students can **choose their favourite topics** such as Nature, Animals, Science from the list, that can be changed later on in their profile.

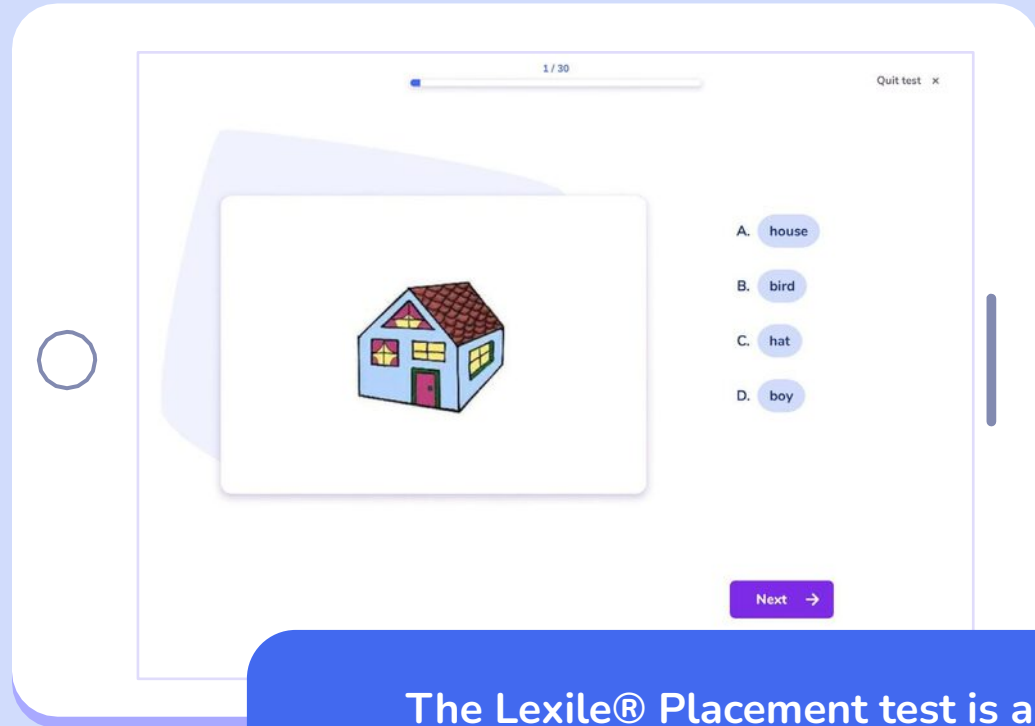

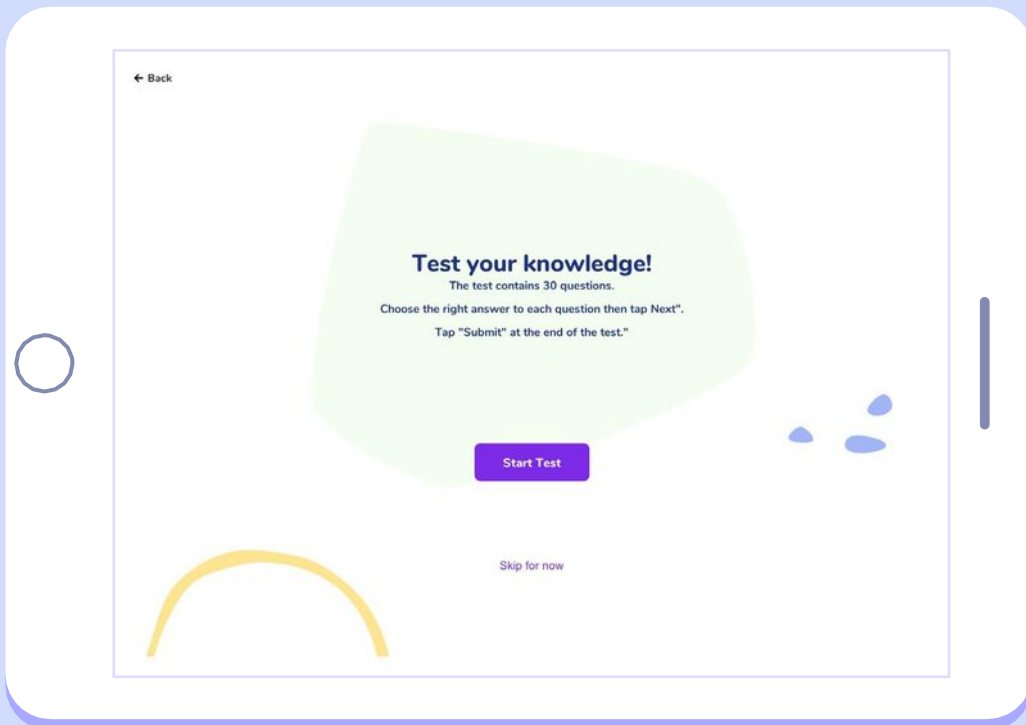

Based on their selected interests, the system will automatically recommend new books to read.

# First Login | Step 3 - Lexile Placement Test\*

**Students** can **take the Lexile Placement Test** by filling out a 30-question reading comprehension quiz. If they skip the test, it can be completed later from their profile where another, CEFR-based Adaptive Placement Test is also available.

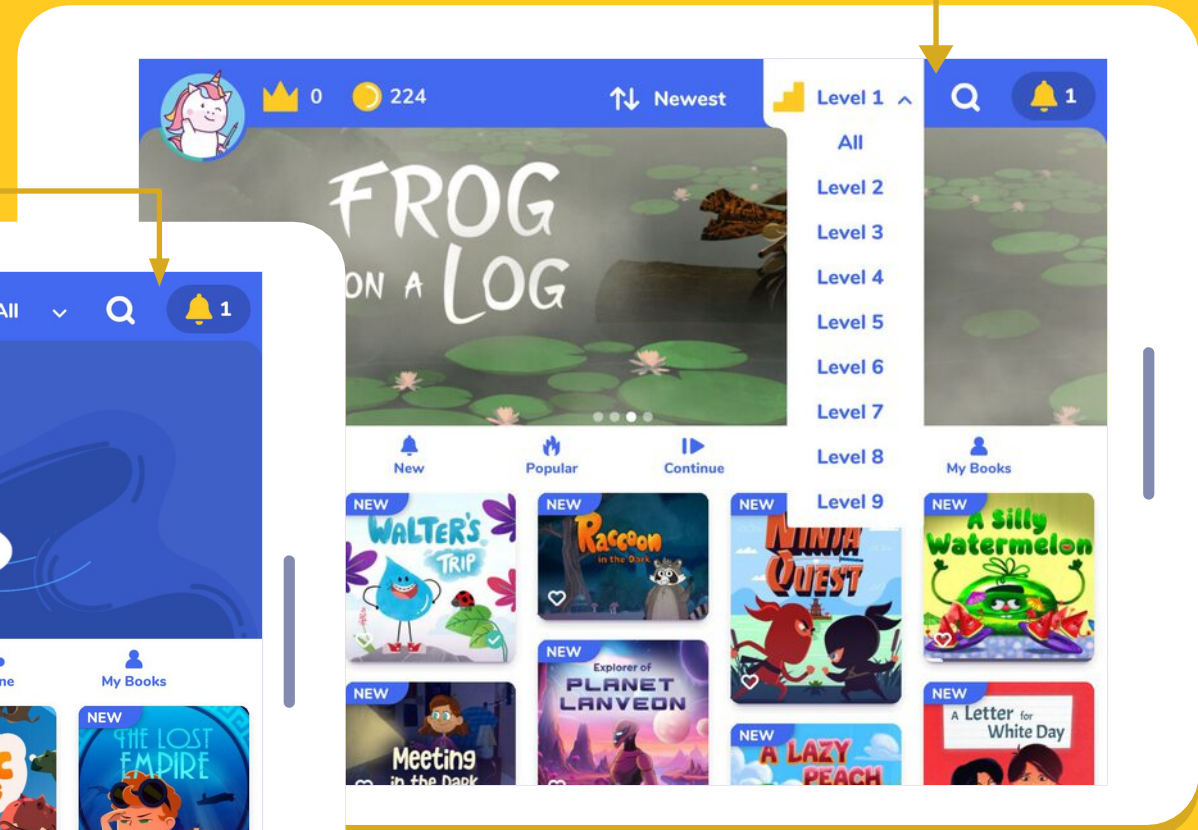

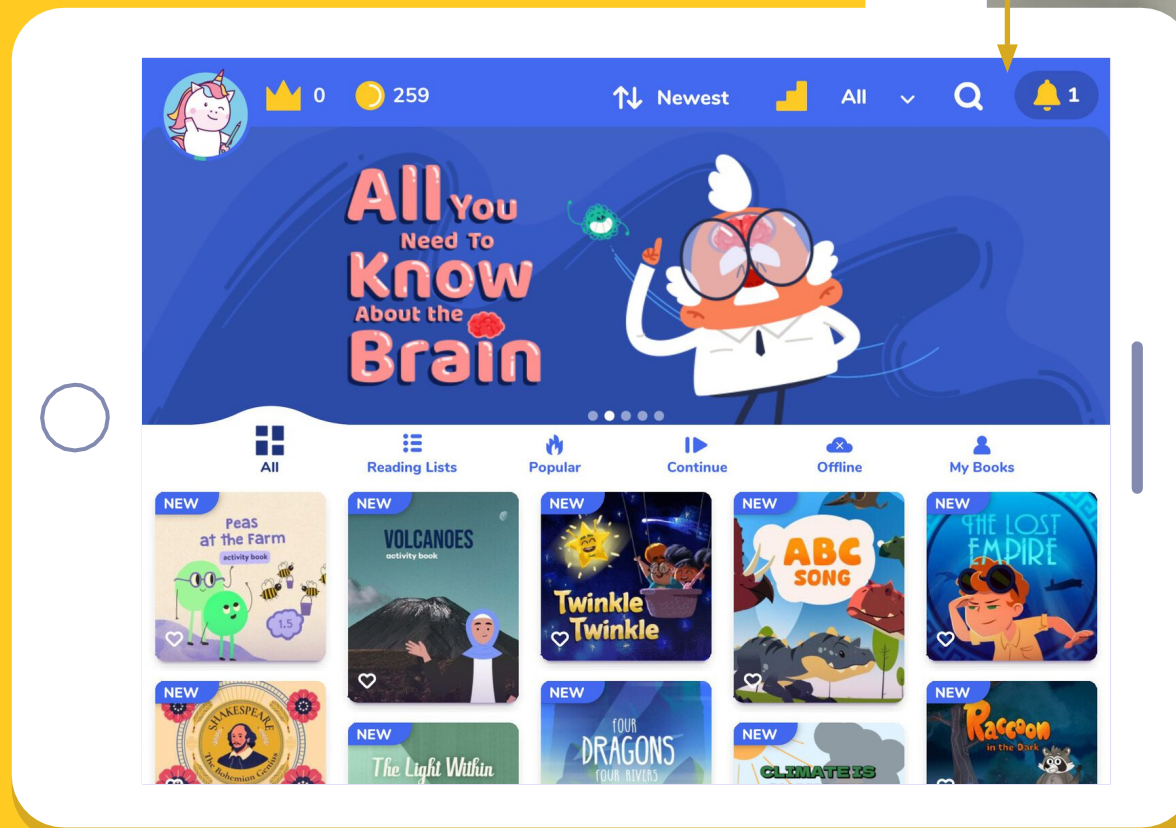

The Lexile® Placement test is an assessment that provides a way to measure a student's English reading ability or the difficulty of a text. By completing 30 questions, BOOKR directs students to the most relevant BOOKR Class level.

\*This feature is not available for every school.

# Library view | Students | Main Page

Students are either automatically taken to a level based on their Lexile measure, or they can freely browse and select a level.

We continuously add new books to the Library, they are marked with a 'NEW' badge on their cover.

Reading streak   Coins   Book order   Level selector   Search

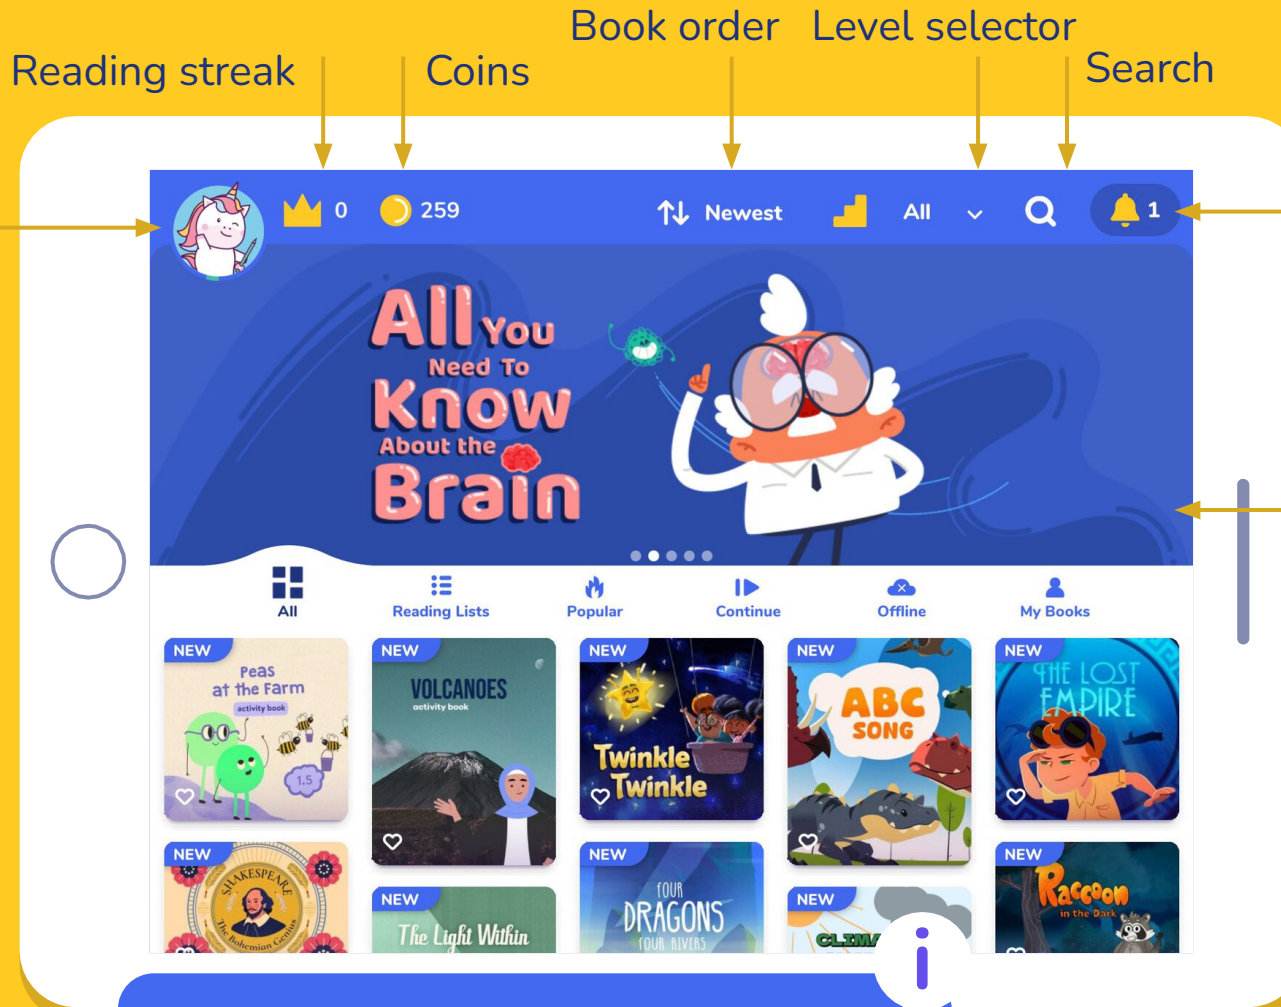

My profile: Find account details and Settings here.

## Coins:

Students can collect coins by completing the books.

## Reading Streak:

Consecutive days spent with reading in a row (default is 20 mins/day that can be changed in the Teacher's Dashboard).

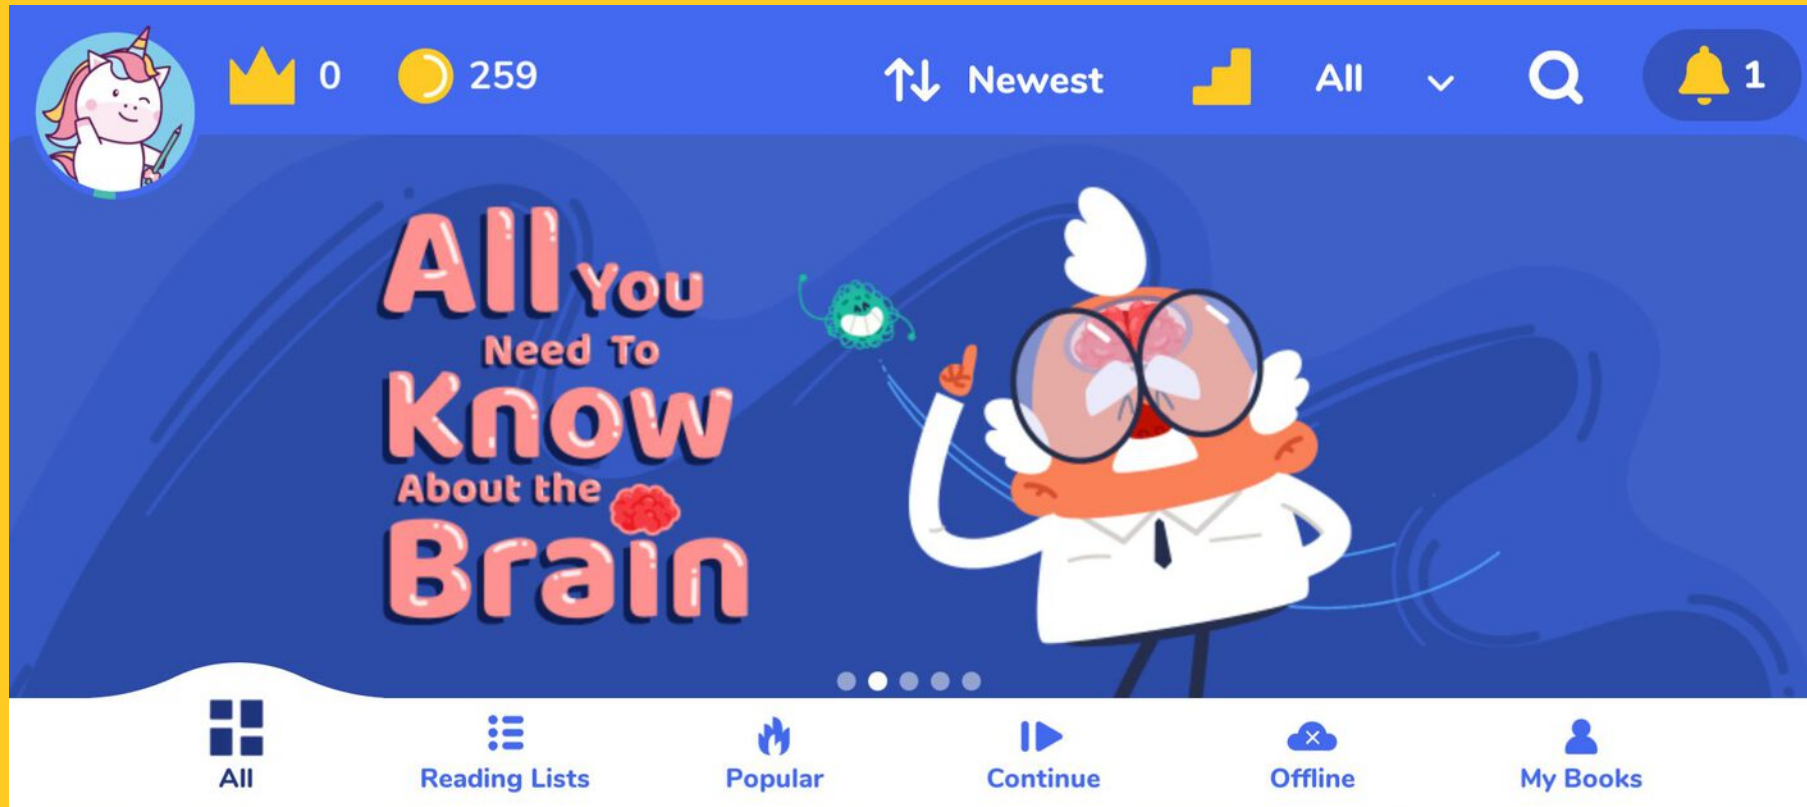

Notifications

Slideshow with book recommendations, tap the image and read the book.

## Book order:

Choose the listing of the books: from newest to oldest, oldest to newest, from A to Z or Z to A.

Curated reading lists with thematic book collections and tests.

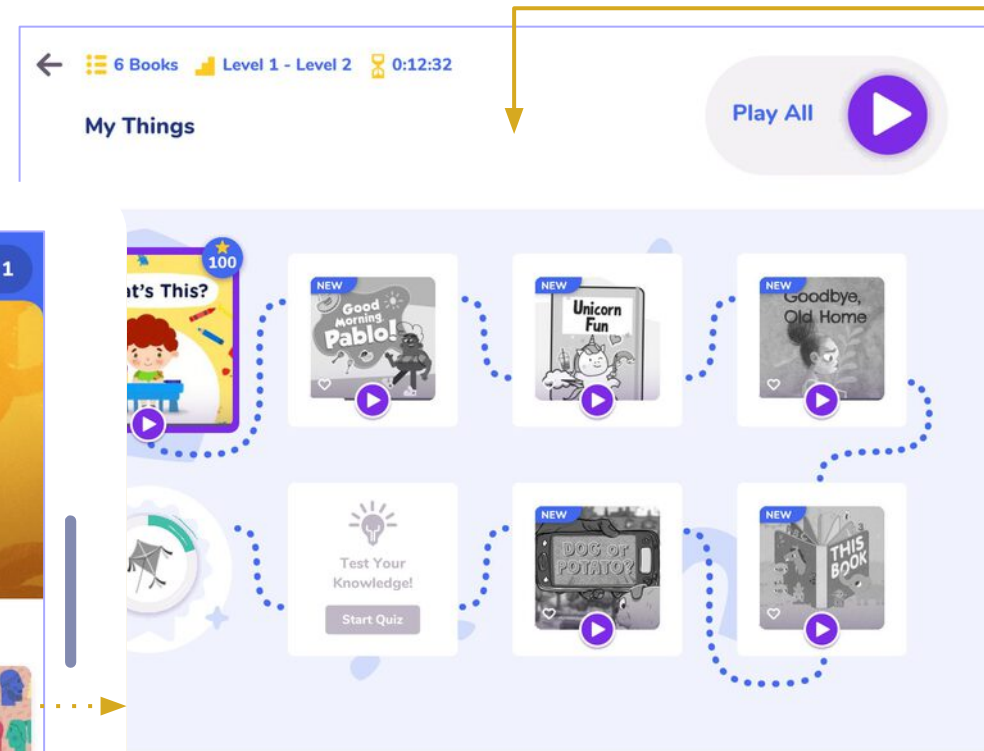

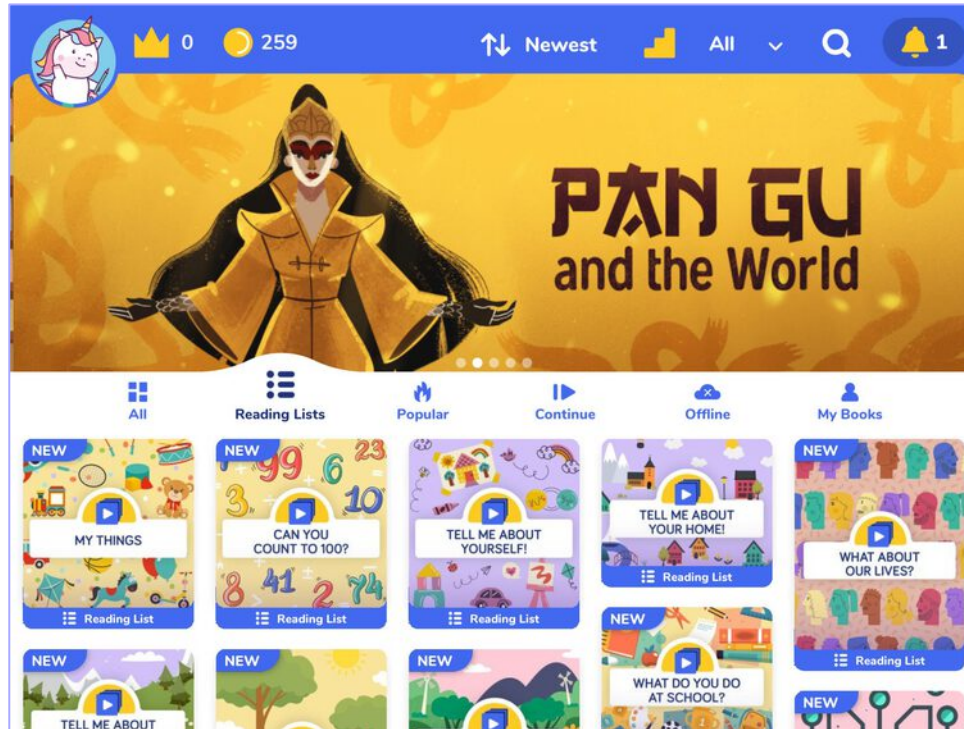

Most popular titles in the Library.

Books started, but haven't finished.

Downloaded books that are available without internet connection, as long as the user's subscription is valid.

Books assigned to the student by their teacher.

In this view the Library shows **thematic book collections**, each completed with a reading comprehension test.

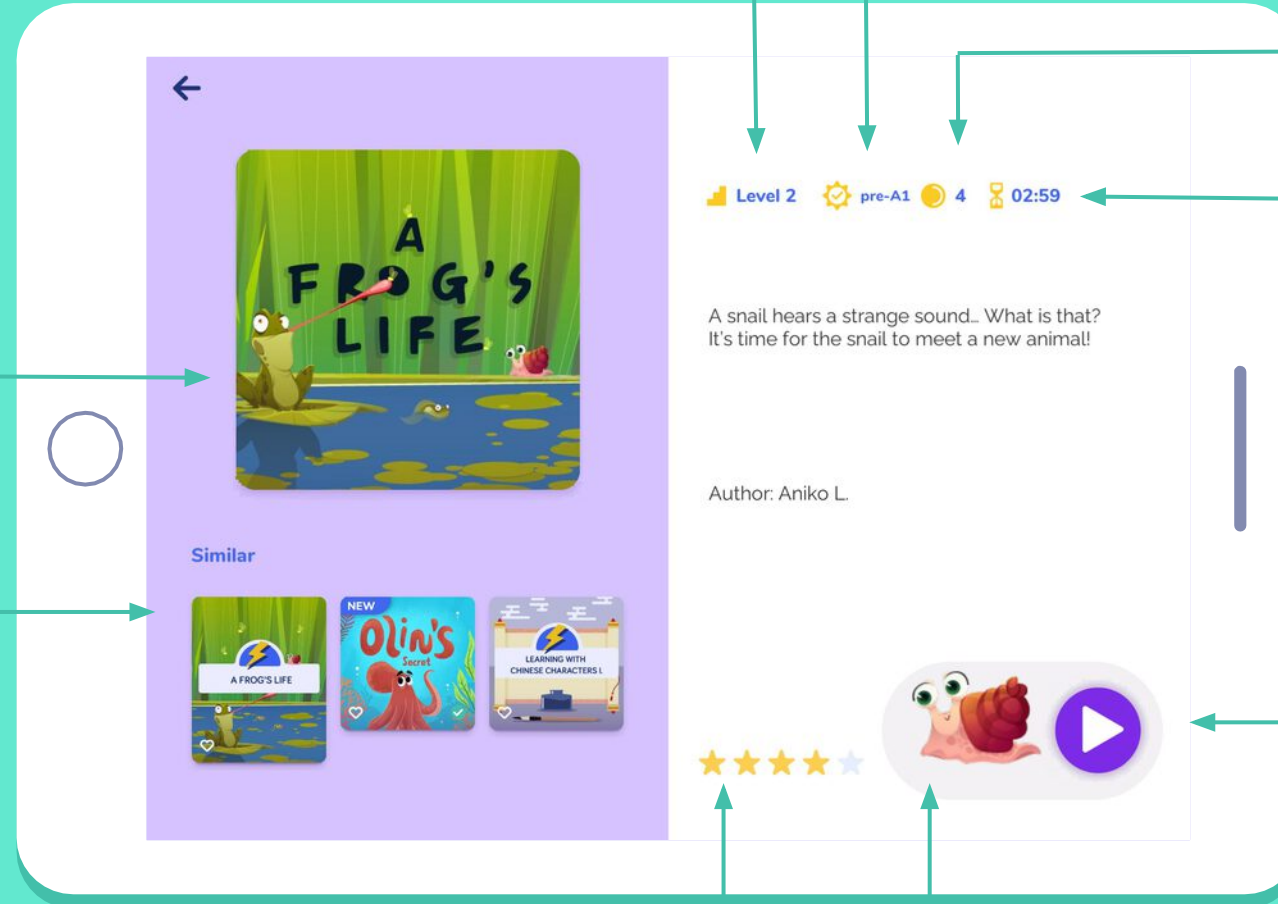

Tap on the cover and you will see the reading journey with the books to read, the level they belong to and the amount of time it will take to read them all. At the end of the reading journey a quiz can be taken.

# Book Page | Opening a Book

# My Profile | Child Dashboard

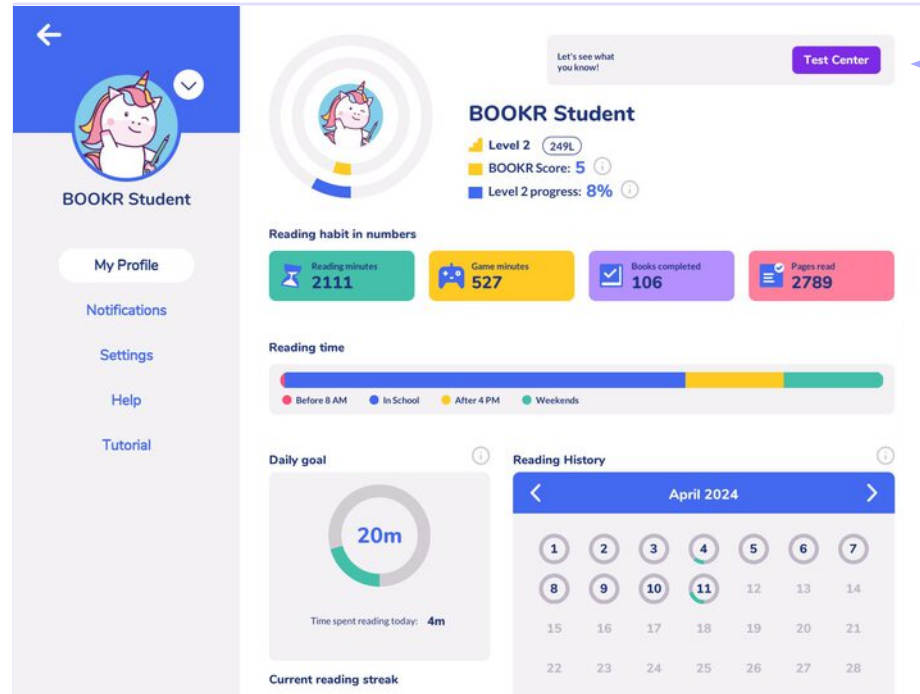

BOOKR  
CLASS

If students **click on their avatar** in the left corner, they reach “My Profile”.

Students can reach tests, track their own reading habits and achievements in **their personal dashboard**.

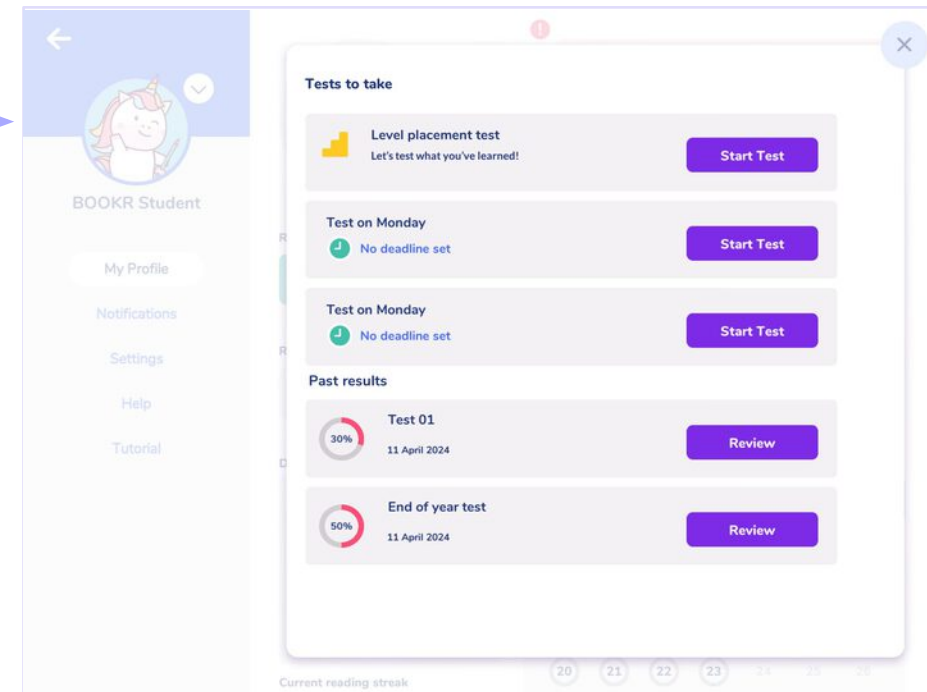

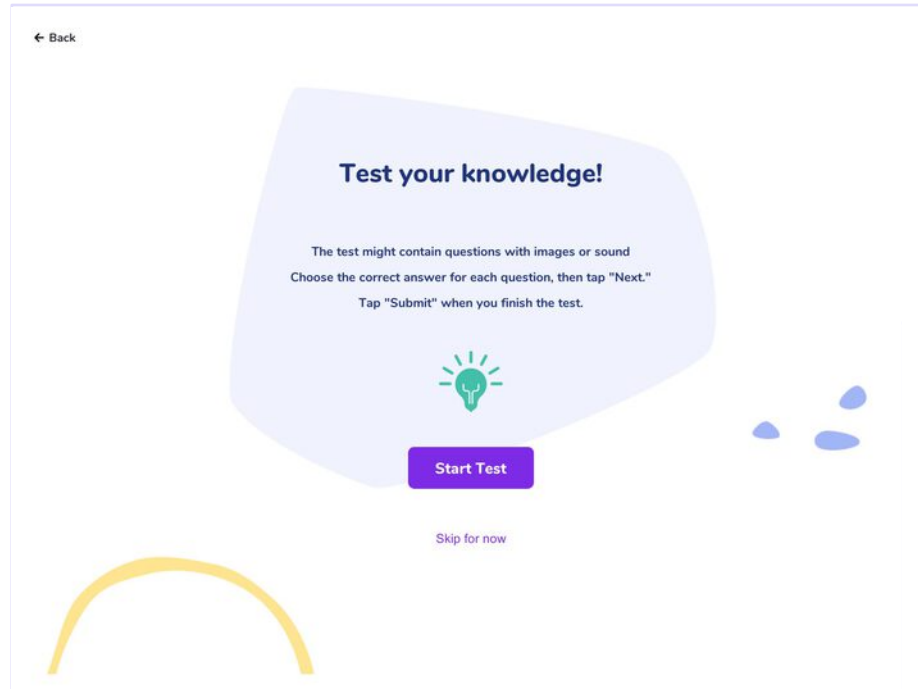

In the **Test Center** students can find different tests and quizzes, such as

- **BOOKR (CERF-based Placement) Test**
- **Lexile Placement Test** and
- **Reading Comprehension Test.**

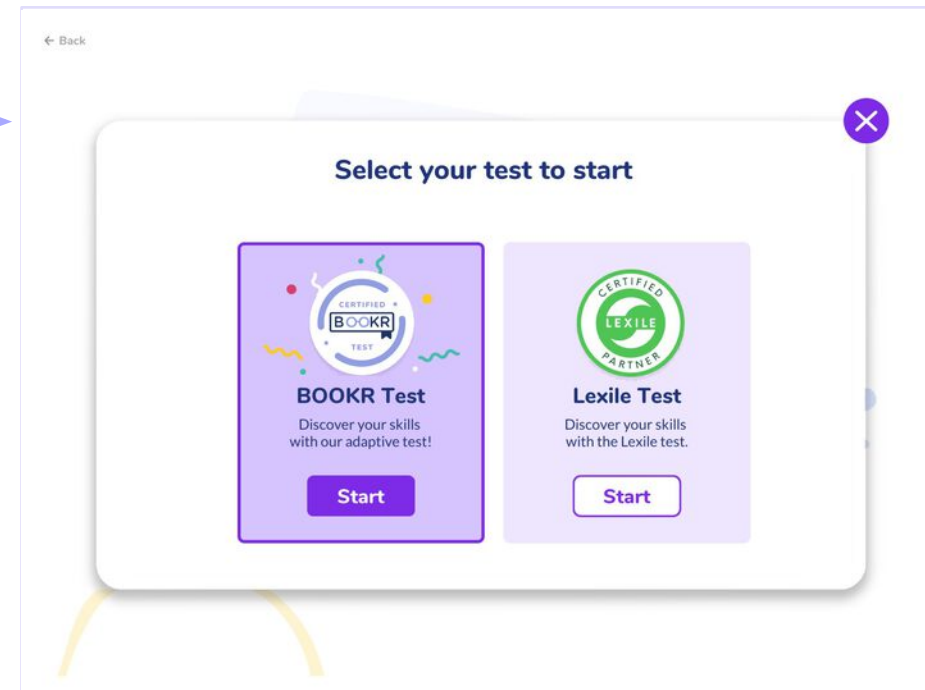

Read more about them on the next four slides.

There are two placement tests you can choose from: the **CERF-based Adaptive Placement Test** called "**BOOKR Test**" and the **Lexile Placement Test**.

By answering any of the tests' questions, the student will be placed to one of the 9 levels of the Library.

Learn more about the placement test on the next slides.

The BOOKR test is a **CEFR-based, Adaptive Placement Test**, that adjusts to each student's ability. It **starts at a mid-level difficulty** and according to the student's answers, the adaptive system **adjusts the difficulty in real-time**, meaning the next question either stay at this mid-level, or go higher or lower. The test evaluates grammar, listening and reading comprehension. After answering the questions, the system will place the student to one of the 9 levels.

The image displays two screenshots of the BOOKR Placement Test interface, illustrating different question types.

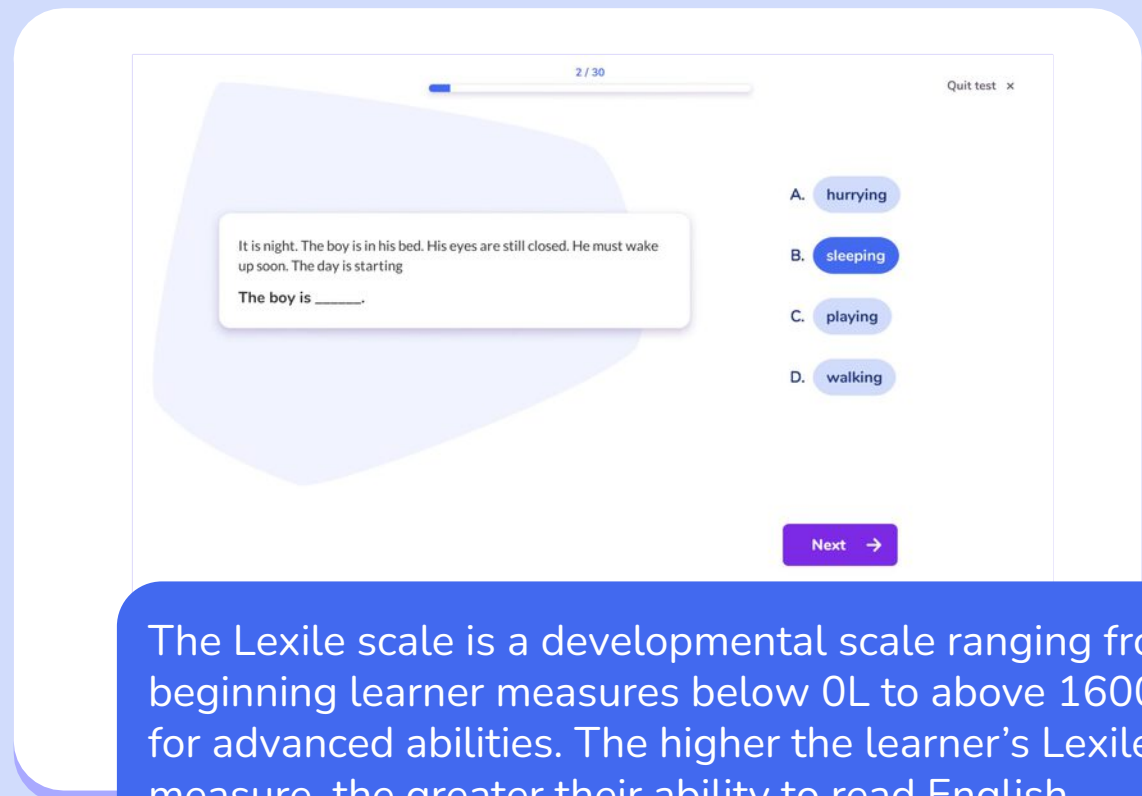

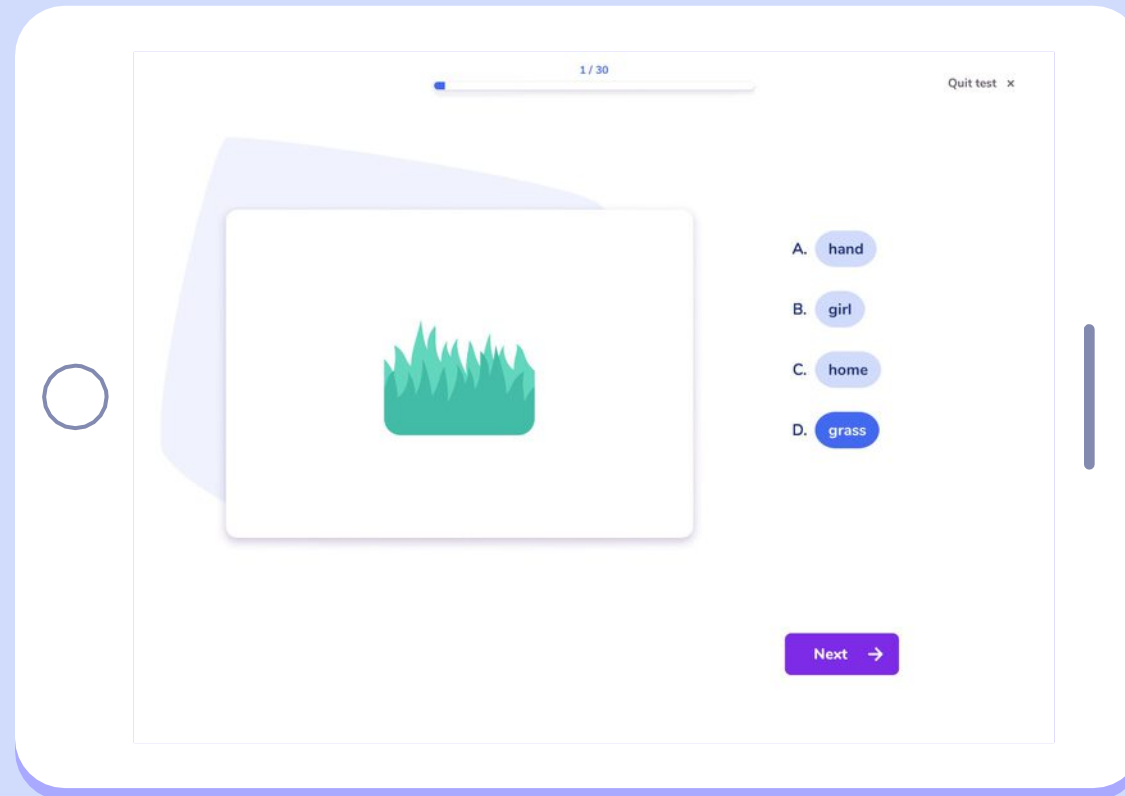

**Left Screenshot (Reading Comprehension):**

- Question:** What is missing from the text? Choose the correct option.
- Text:** I love Niseko \_\_\_\_ there are so many things to do. \_\_\_\_ you like snow sports, you can try snowboarding or snowmobiling. Snowmobiling is really fun because you can ride smoothly \_\_\_\_ the snow and see beautiful winter views. However, it is always important to go with an experienced person to stay safe.
- Options:**
  - A. because / If / over
  - B. but / When / through
  - C. and / Still / through
  - D. that / For / into
- Navigation:** A "Next →" button is located at the bottom right.

**Right Screenshot (Listening Comprehension):**

- Question:** Listen to the conversation. What does the boy want to buy?
- Audio Player:** A blue speaker icon and a progress bar are shown, with a "1/3" indicator.
- Options:**
  - A. fresh pies
  - B. hot chocolate
  - C. croissants
- Navigation:** A "Next →" button is located at the bottom right.

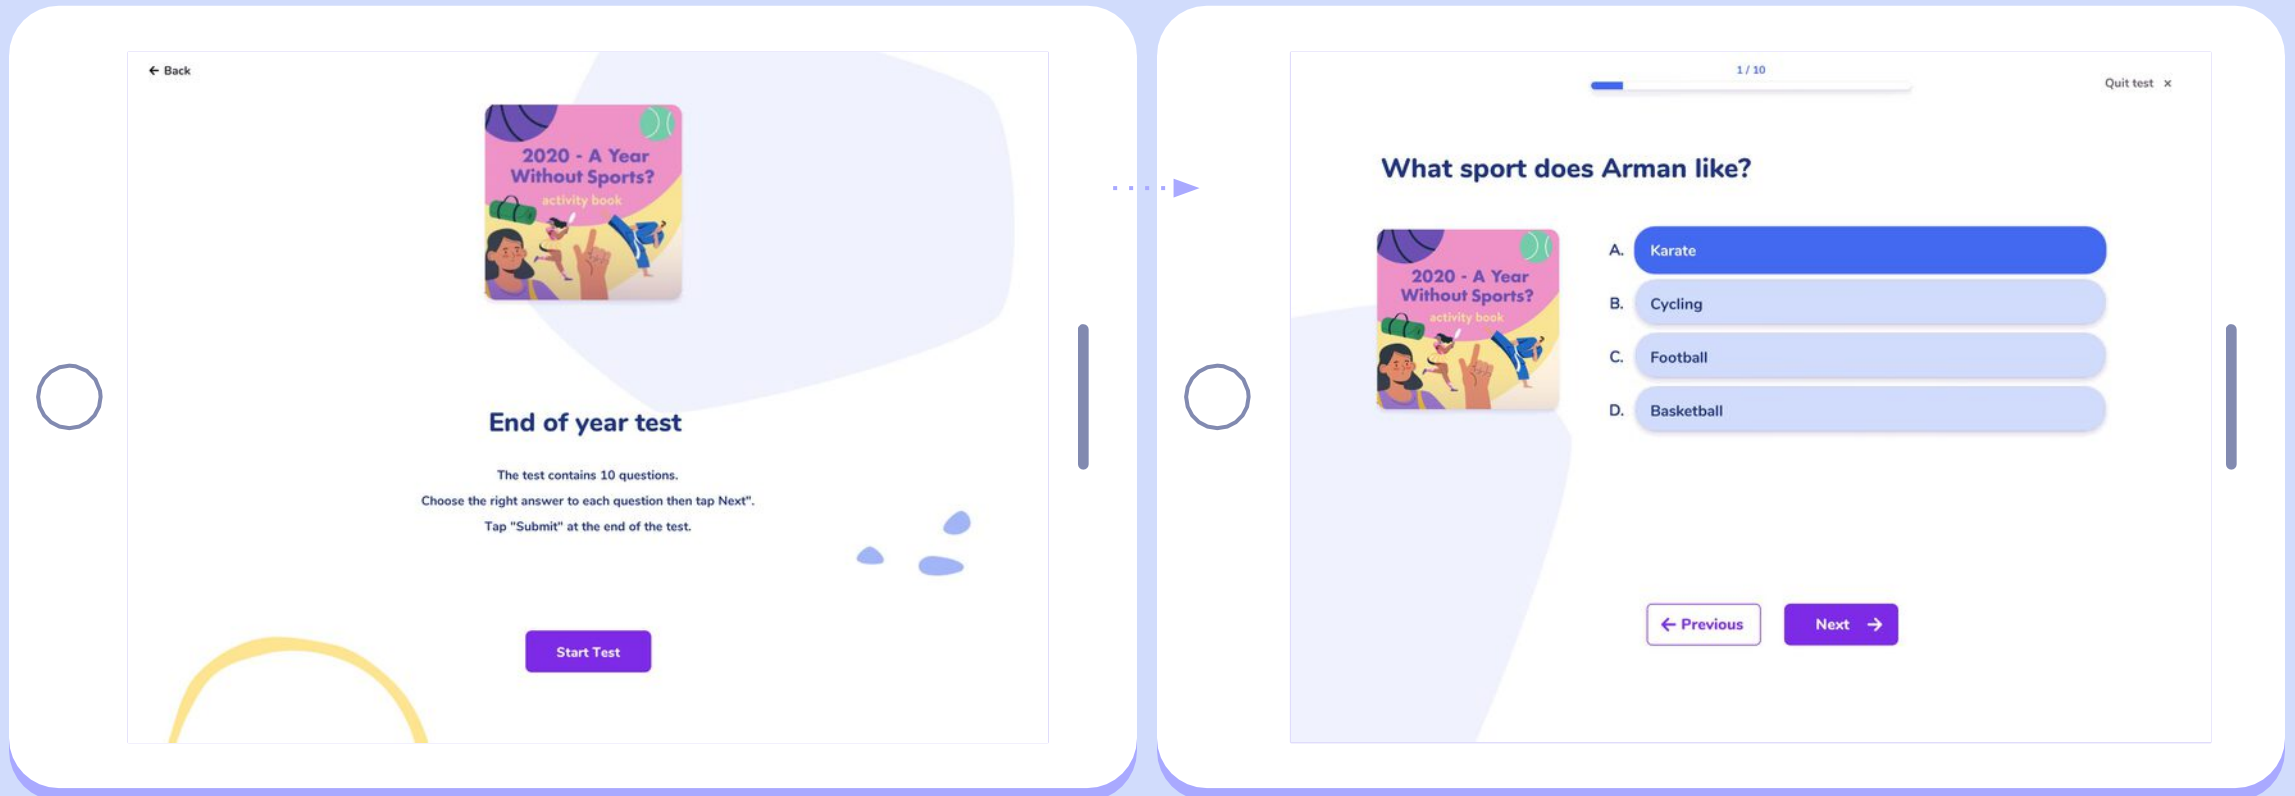

The **Lexile Placement Test** is implemented in BOOKR Class, that students can take when they log in for the first time or from their personal profile any time. Also, teachers can assign it from the Teacher's Dashboard. The test measures the students' reading ability. By answering **30 questions**, they will be placed to one of the 9 levels.

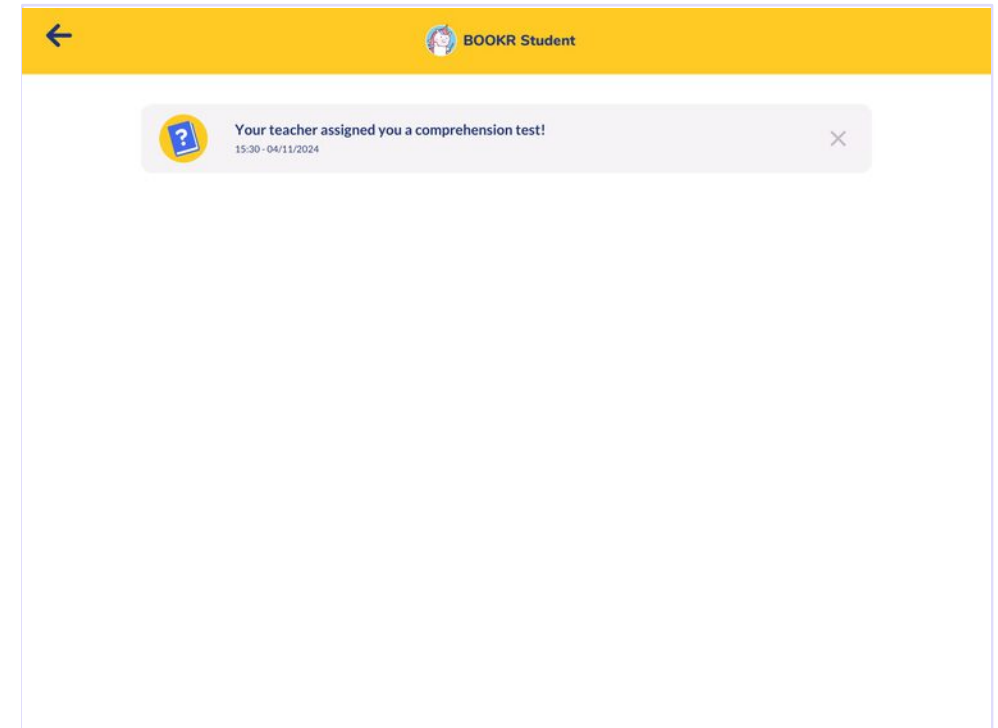

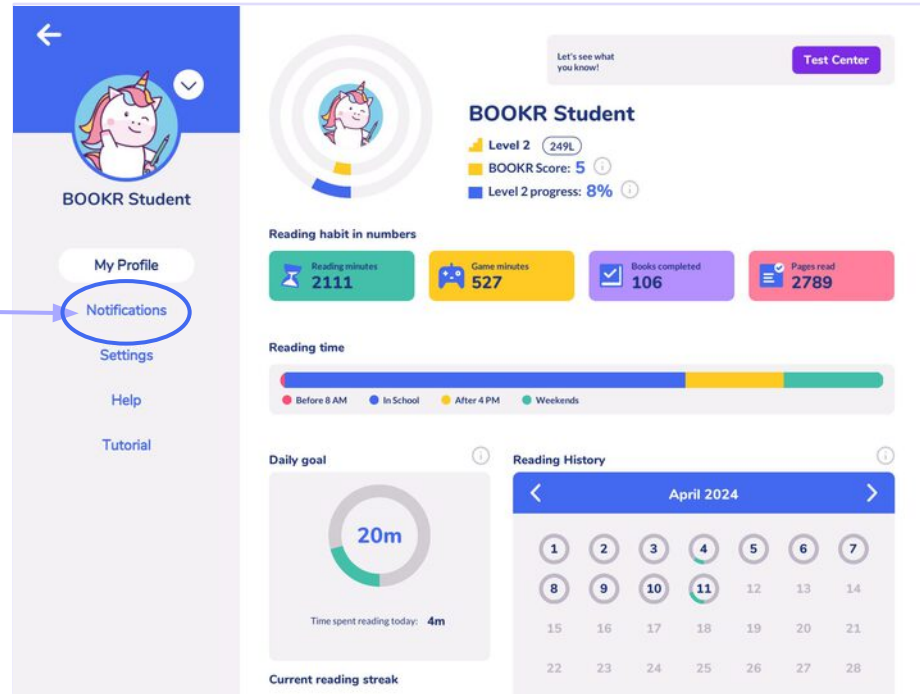

The Lexile scale is a developmental scale ranging from beginning learner measures below 0L to above 1600L for advanced abilities. The higher the learner's Lexile measure, the greater their ability to read English.

Besides the placement tests, students can find **Reading Comprehension Tests** in the Test Center that are created and assigned by the teachers in the Teacher's Dashboard. These quizzes are testing the students' reading comprehension and memorization skills related to the book(s) they have read in the Library.

# Notifications

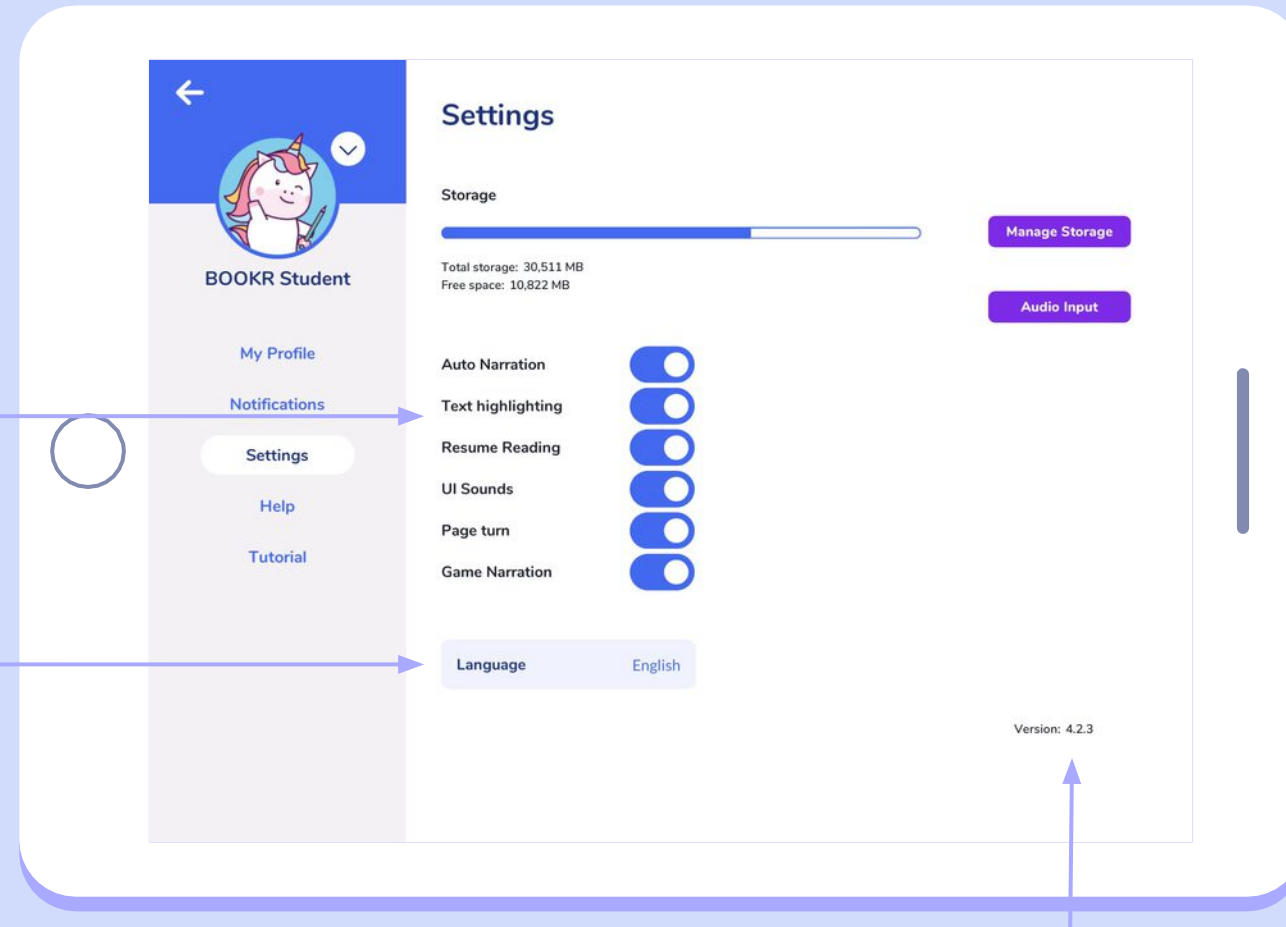

Clicking on **Notifications**, the app shows all the **news and updates**, such as rewards and assignments.

# Settings

Turn reading preferences on/off here as custom settings. They can also be managed while reading a book.

**Language:** Set the Library's interface language to English, Spanish, Indonesian, Portuguese, Chinese or German.

**Version:** Here you can check if you have the latest app version downloaded to your device. Upgrading is free from the stores. Provide this information when writing to [support@bookrclass.com](mailto:support@bookrclass.com).

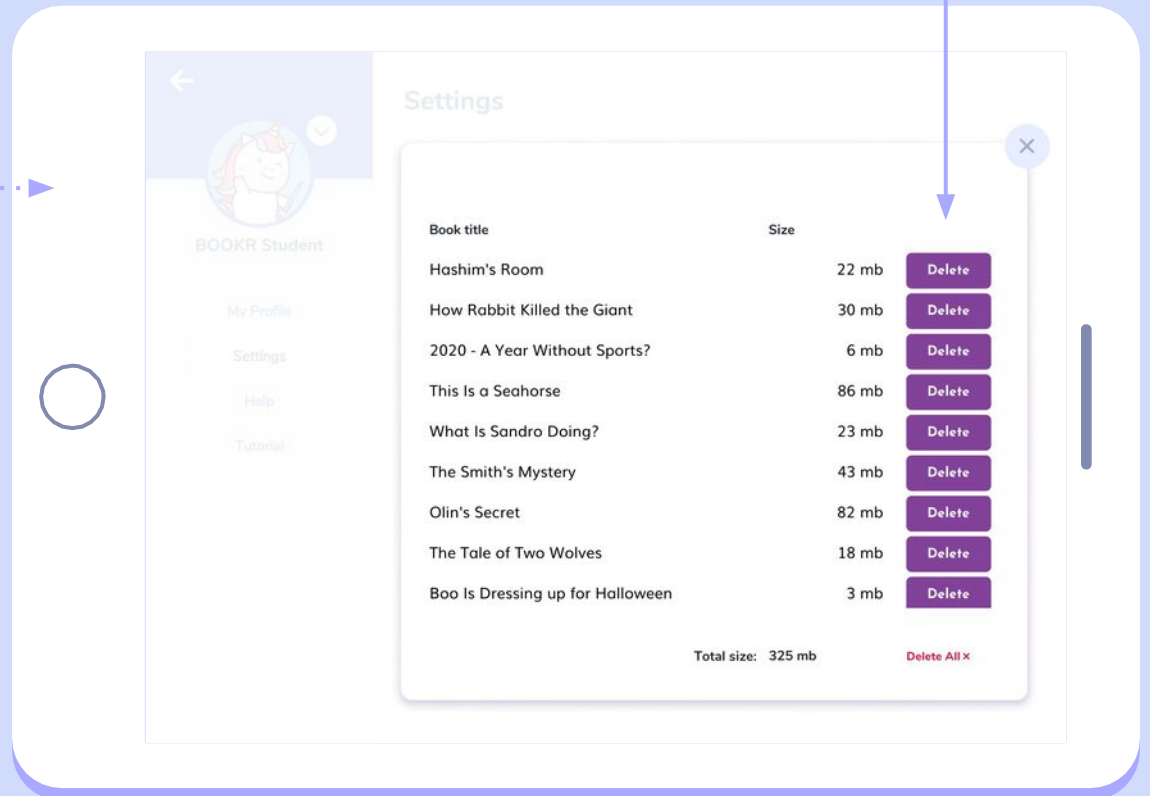

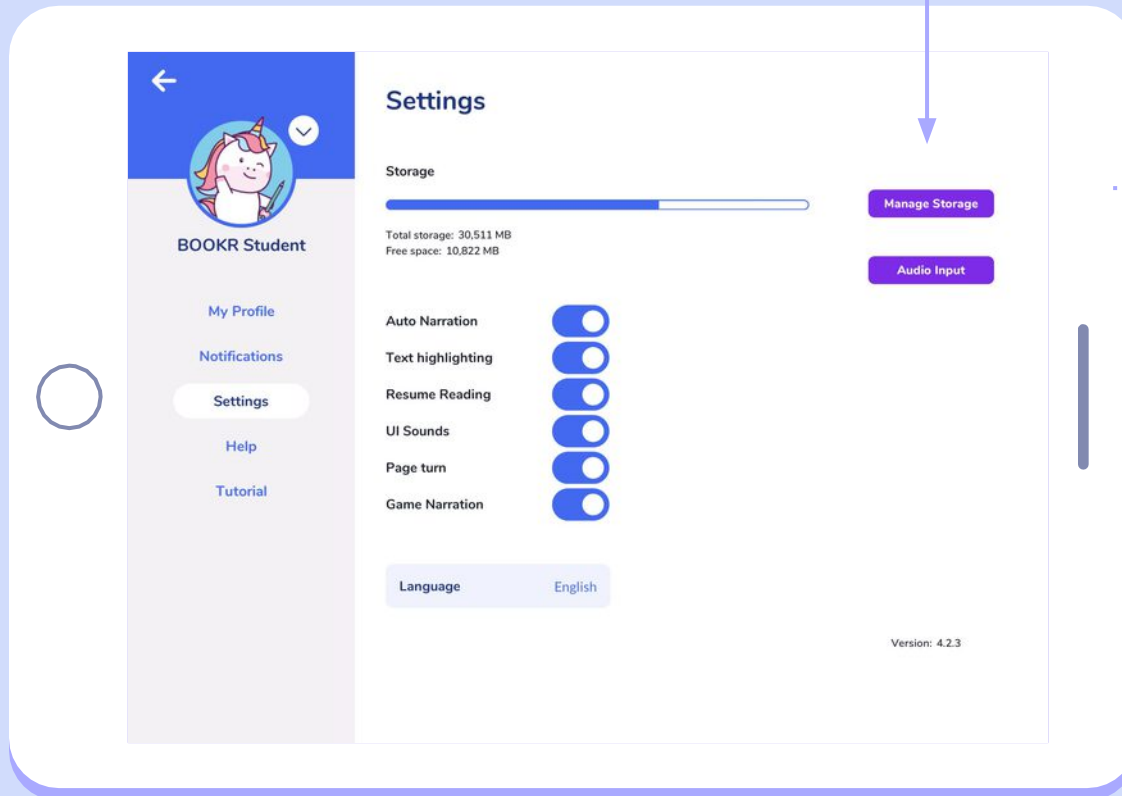

Auto Narration, Text Highlighting, Page Turn and Game narration automatically starts when turned on.

**Resume Reading:** when turned on, the book reading continues where it was last stopped

**UI Sounds:** when turned on, every sound effect of the application is audible

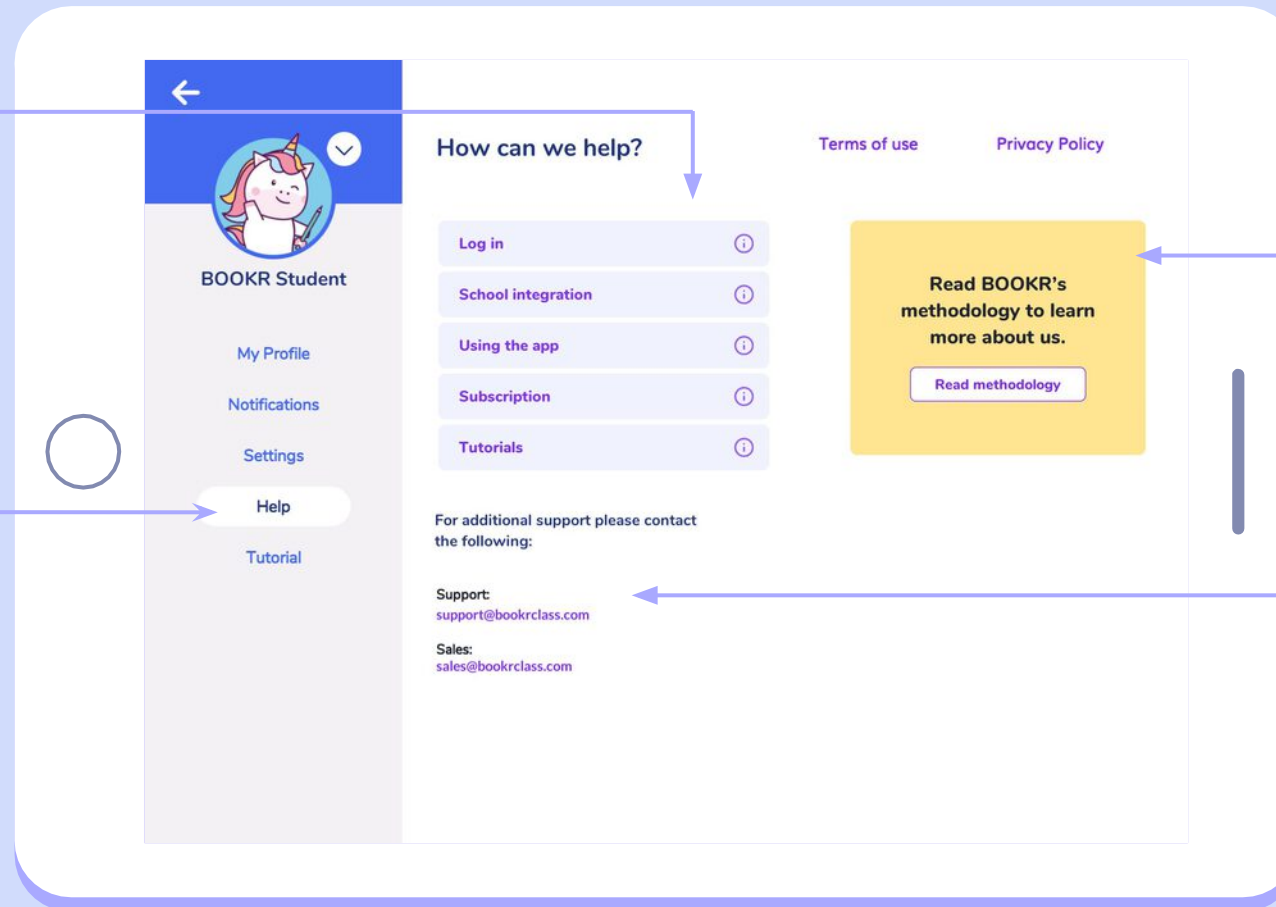

Manage the storage of the device by tapping 'Manage storage'.

Delete any book students don't need downloaded on their device anymore.

☐ I accept BOOKR Class' [Terms and Conditions](#)

Confirm

Tap to **'Confirm'**.

# Registration | Create Account

BOOKR

CLASS

Select 'I'm a teacher' or 'I'm a parent' and fill out your details

Tap to 'Create account'.

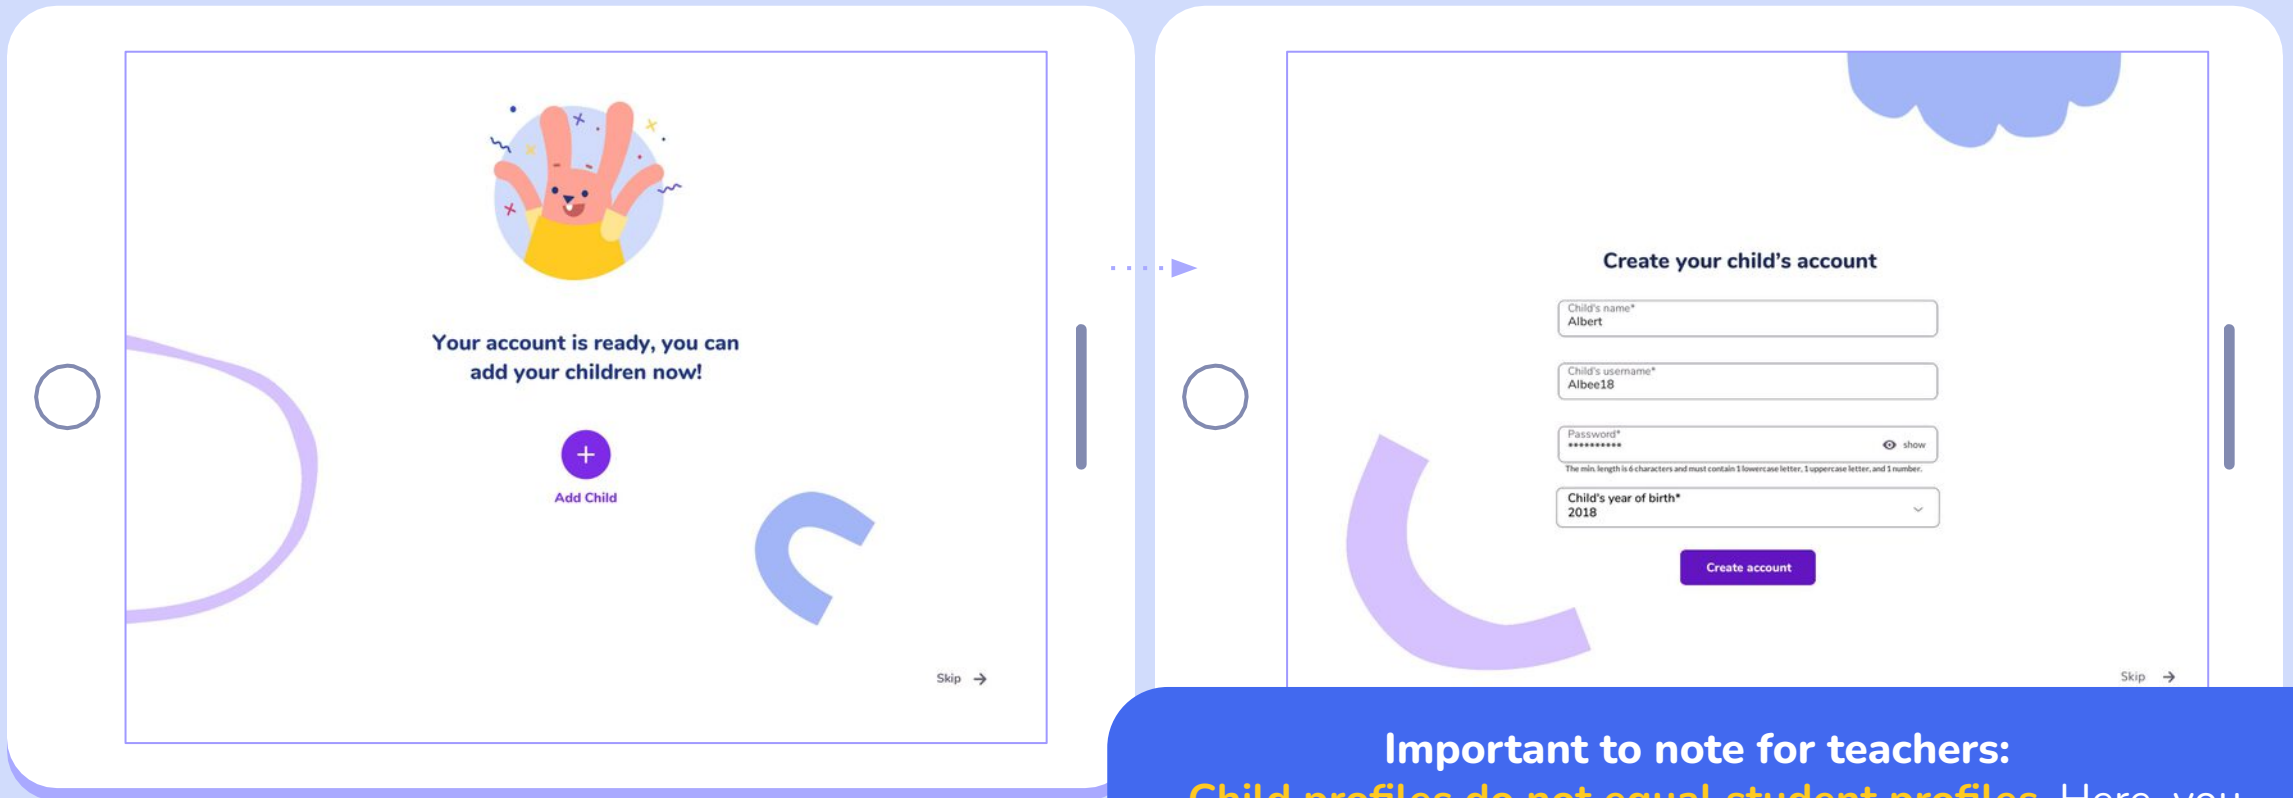

The first screenshot shows a login screen with a back arrow and the text "Login". Below the header, it says "Please choose your role!". There are two circular icons: one with a school building and the text "I'm a teacher" below it, and another with a house and the text "I'm a parent" below it. A blue arrow points from the text "Select 'I'm a teacher' or 'I'm a parent' and fill out your details" to the "I'm a teacher" button.

The second screenshot shows a "Choose your role" screen with a back arrow and the text "Choose your role". Below the header, it says "Create your account". There is a cartoon character of a hand holding a book. Below the character, there are four input fields: "Name\*", "Email\*", "Password\*" (with a "show" toggle), and "School / Institution\*". Below the input fields, there is a checkbox labeled "I agree to receive communication from BOOKR". At the bottom, there is a link "Already have an account? Sign In" and a "Create account" button. A blue arrow points from the text "Tap to 'Create account'." to the "Create account" button.

If you are a teacher and you will definitely use BOOKR Class in the school setting, then we suggest you choose "I'm a Teacher". If you want to see your children's progress, choose 'I'm a Parent'.

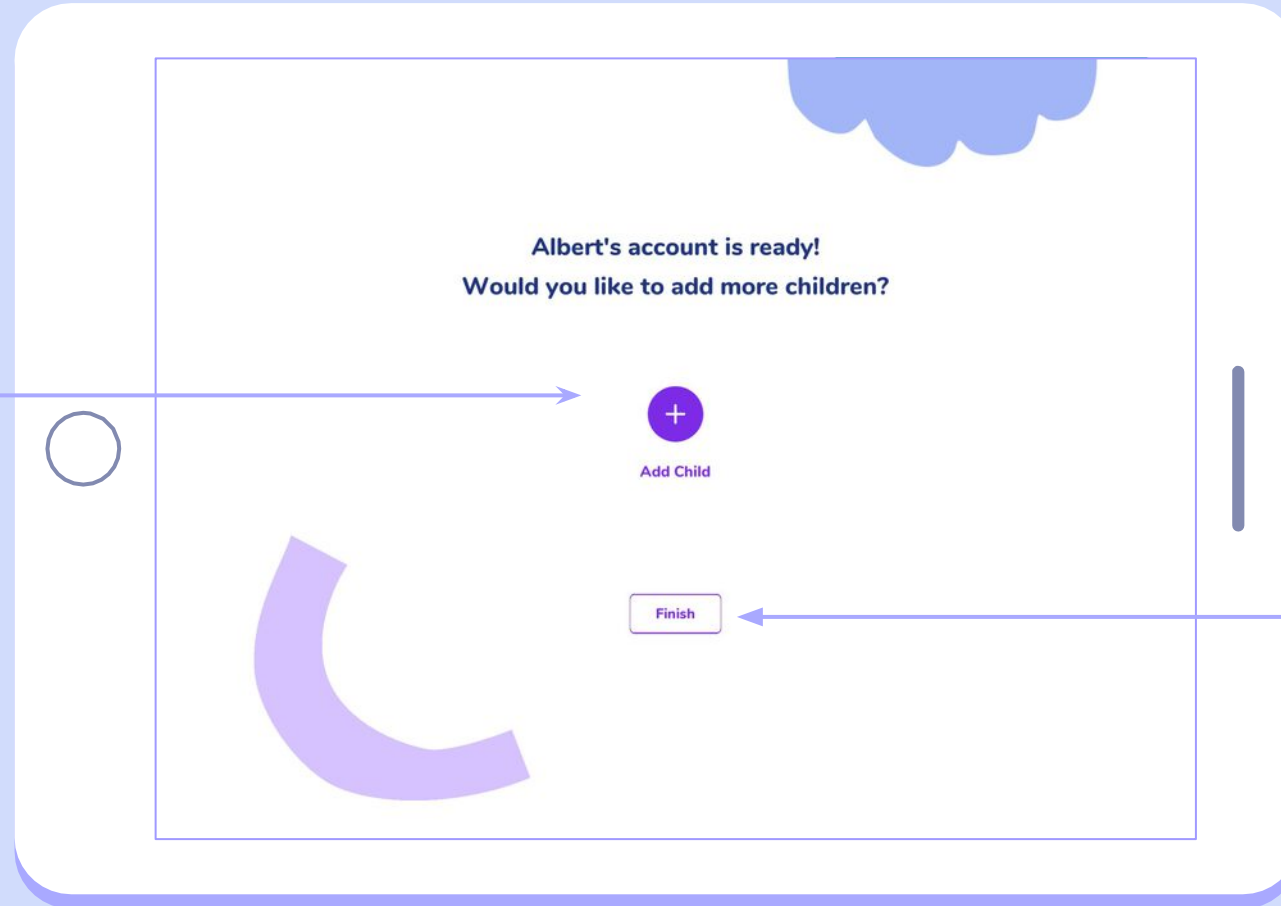

If you want to use the app at home, **add your child**.

**Important to note for teachers:**  
**Child profiles do not equal student profiles.** Here, you can manage your own children, while you can manage your students in the Teacher's Dashboard.

If you want to add more children, tap '**Add Child**'.  
You can add a max. of 3 children.

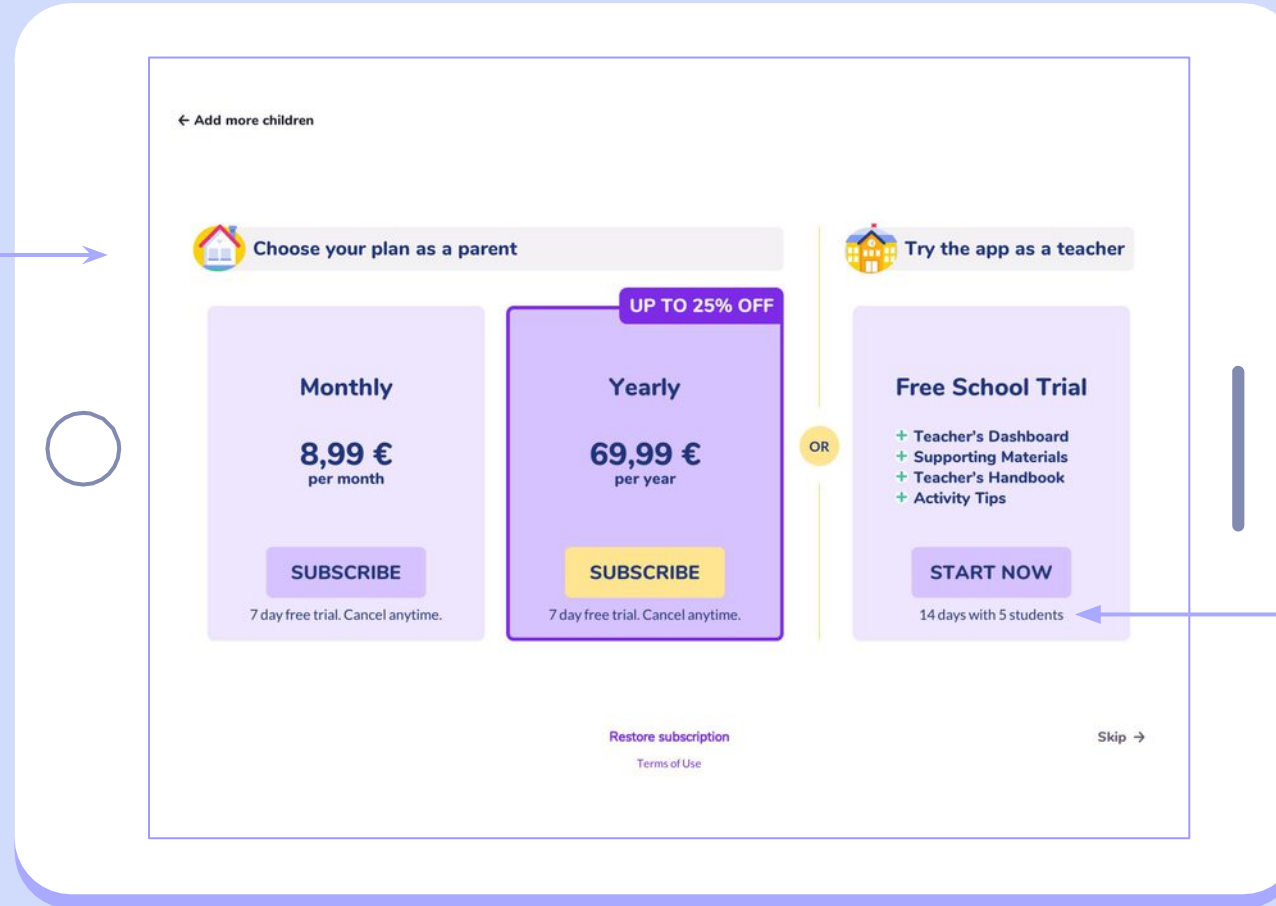

Tap '**Finish**' and head to  
'Subscriptions'.

If you want to use the app at home with your family, choose a monthly or yearly subscription.

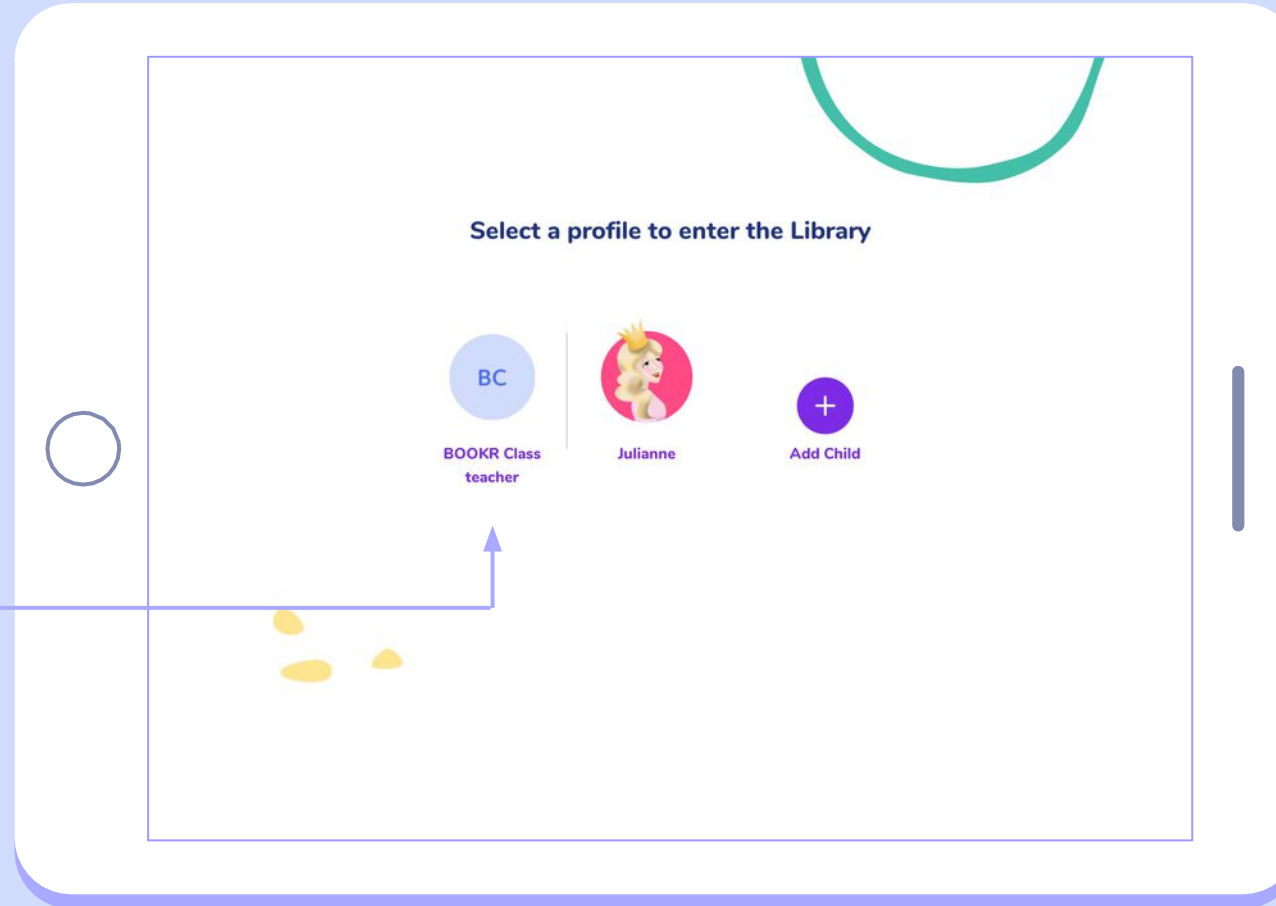

Both family subscriptions start with a **7-day free trial**.

Schools can sign up for a **free trial** period to try the entire BOOKR Class package with 5 students.

# Choose Profile

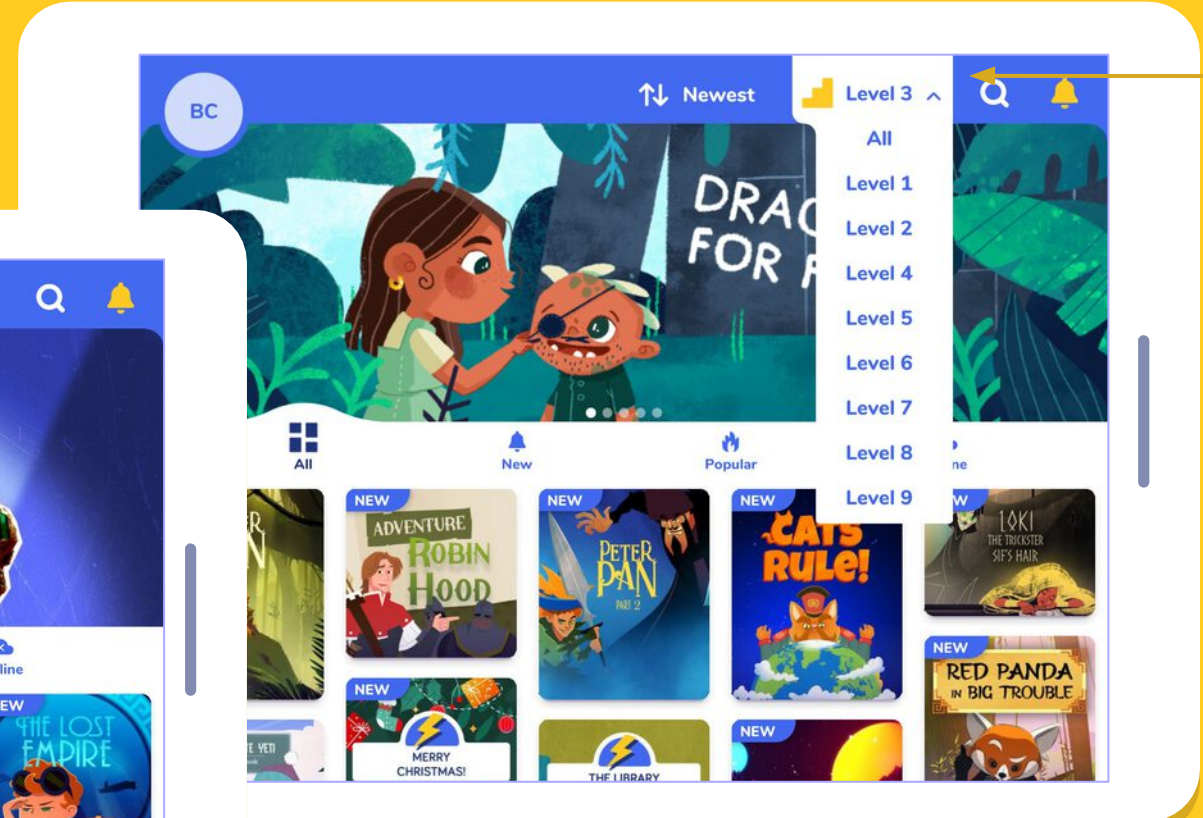

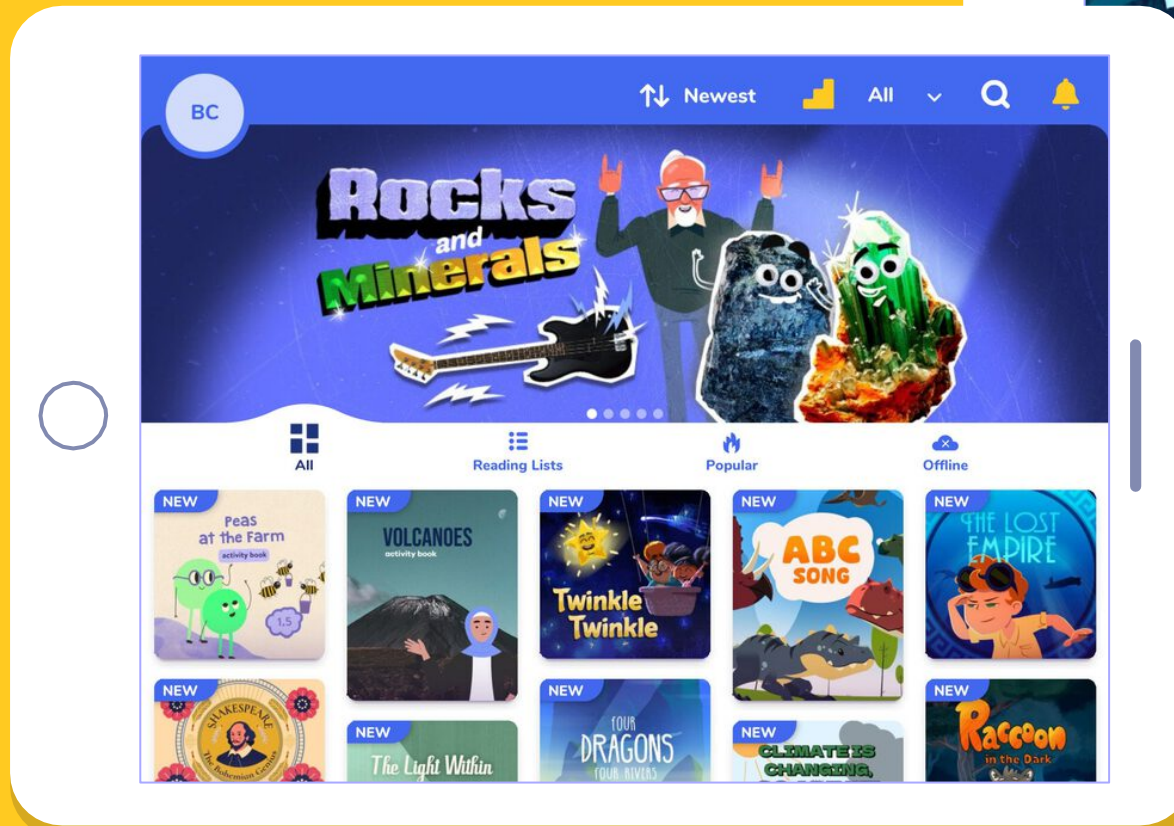

After a successful registration and login, **choose your Teacher/Parent or Child profile** to enter the Library.

After logging into their own accounts, **children can read books simultaneously.**

# Library view | Teachers and Parents

On the main page, you can see the selection of books in the library. Scroll down to see all the books.

Select a BOOKR Class level you'd like to see.

# Teacher's Dashboard | Students

You can switch between 'My students' and 'All students' in the school.

Search students by name, or filter by the different categories.

Based on your search, the result will appear in this table. To see more details, scroll right.

The screenshot displays the 'Students' section of the BOOKR CLASS Teacher's Dashboard. The sidebar on the left contains navigation links: BOOKR Class, BOOKR Class Demo School, Students (selected), Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area features a 'Students' header, a summary card showing 'Total number of student in school' as 268, and toggle buttons for 'My students' and 'All Students' (the latter is active). Below these are search and filter options: a search bar labeled 'Search for student', and filters for Class, Level, Hidden level, Teacher, Learning difficulty, and License status. At the bottom, the table header shows 'All Students (268)' and action links: 'Print student codes', 'Export All', and 'Manage Selected'.

# Students | Manage Selected

The screenshot displays the BOOKR CLASS interface. On the left is a sidebar with the following menu items: BOOKR CLASS, BOOKR Class Demo School, Students (selected), Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, and Flashcards. The main area is titled 'All Students (268)' and contains a table of student data. Above the table are three links: 'Print student codes', 'Export All', and 'Manage Selected' (which has a dropdown arrow). The table has columns for Name, BOOKR Level, Lexile Score, Visible Levels, Teachers, License, and Action. The 'Action' column contains 'Manage Student' links. Annotations with arrows point to the selection checkboxes in the first column and the 'Manage Selected' dropdown menu.

	Name	BOOKR Level	Lexile Score	Visible Levels	Teachers	License	Action
<input checked="" type="checkbox"/>	Fanni testing	1	-394	All levels are visible		Active	Manage Student
<input type="checkbox"/>	Justine Case	2	256	All levels are visible	BOOKR Class, Alexa Ábrahám	Active	Manage Student
<input type="checkbox"/>	Andrea Pallotta	1	178	All levels are visible	BOOKR Class, Alexa Ábrahám	Missing	Manage Student
<input checked="" type="checkbox"/>	Edőcs Zsófi	3	480	All levels are visible	Trial Demo, Dominika Gyányi, Romeo test teacher Dobos Test teacher, Demo Teacher BOOKR	Expired	Manage Student
<input type="checkbox"/>	Harry Potter	2	221	All levels are visible	Alexa Ábrahám	Missing	Manage Student
<input checked="" type="checkbox"/>	Hermione Granger	3	420	All levels are visible	Alexa Ábrahám	Missing	Manage Student

Select one or more students by ticking the box in front of their names.

After selecting one or more students, click on **'Manage selected'** and choose an action from the dropdown list.

Read more about the **'Manage selected'** actions on the next two pages.

**Add/Extend License:** Assign active licenses or extend already assigned ones to your students, which you can choose from your school's purchased license pool. **Only those students who have an active license can access all books in the Library app.**

**Remove License:** If you would like a student not to have access to the Library app anymore or you would like to re-assign a license to another student, first remove it.

**Assign Books:** Choose the book you would like to assign to student(s). Once the students enter the app, they will receive a pop-up notification of the assignment, and the book will also appear in the "My Books" section.

**Assign Tests:** Assign your student(s) the Lexile placement test, optionally with a deadline. In the dashboard you can see the score and the BOOKR level (1-9) to which your student(s) English proficiency corresponds.

**Update Level:** Change your student(s) BOOKR level (1-9) based on what is corresponding to their English proficiency.

**Hide Levels:** If you would like to hide certain levels from the students, select the levels from the list. This will hide all the books available on that level from them.

# Students | Manage Selected actions

**Unhide Levels:** Unhide previously hidden levels.

**Assign Student to Class:** Create classes and assign students to them. This way, you can manage them by class.

**Print Student Codes:** To make the login process easier for the entire class, you can download and print every students' student codes with additional information. The QR code leads to the Library application and automatically signs in the student to their account.

**Export Selected Student Data:** Download an Excel sheet with your student's general account data.

**Delete Student:** If you delete a student, all their reading data will be permanently lost and cannot be restored.

<div><div>BOOKR CLASS</div><div>Student code: HV7l6VOgXg</div><div>Name: Justine Case</div><div>Class: 1.a</div><div>Scan the QR-code and go to the app</div><div></div></div>	<div><div>BOOKR CLASS</div><div>Student code: 9692941412241460</div><div>Name: Andrea Pallotta</div><div>Class: 1.b</div><div>Scan the QR-code and go to the app</div><div></div></div>

# Students | Student Import

To register a new student fill out the form and click 'Create Profile'. After this, the student code will automatically appear. First name, last name and birth year are mandatory fields, while the rest is optional.

Use this function if you'd like to **import a list of students at once**, to save time. Click the blue "i" to open the step-by-step instructions and an template sheet to use.

The screenshot displays the BOOKR CLASS interface for the 'Students' section. On the left is a blue sidebar with navigation links: BOOKR CLASS, BOOKR Class Demo School, Students (selected), Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area is titled 'Students' and shows a 'Total number of student in school' as 268. Below this are tabs for 'My students' and 'All Students' (selected). A search bar labeled 'Search for student' is present. There are several filter dropdowns: Class, Level, Hidden level, Teacher, Learning difficulty, and License status. At the bottom, it says 'All Students (268)' and provides links for 'Print student codes', 'Export All', and 'Manage Selected'. Two callout boxes with arrows point to the 'Import Students' button (which has a blue 'i' icon) and the '+ Add New Student' button.

**First Name, Last Name and Birth year are mandatory fields.** Optionally, you can provide other information, such as the student's Lexile Level and the parent's details.

If you add parents, they will receive an email notification and be able to track their child's progress.

**Student code** is needed for the student to log in to the Library app. This is automatically generated.

In order to have unlimited access to the Library's full content, students must have **active license** assigned to their accounts. The student code only provides a login access.

You can add classes to your student by typing in the name (letter and numbers are both accepted) and by choosing from the dropdown.

If you and your student have the same class(es) added to both of your profiles, you will find that student under the 'My Students' search (see more on [pages 75-77](#)).

Optionally, you can provide class(es) that students belong to. This way you can **connect teachers to their students**.

# Students | Student's Profile | Add/Remove License

The screenshot shows the BOOKR CLASS interface. On the left is a blue sidebar with navigation links: BOOKR CLASS, BOOKR Class Demo School, Students (selected), Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area has a header with a hamburger menu and a search bar. Below the header is a section titled 'Classes involved (1)' with a table showing one class: '3a' with a close icon and the text 'Classes'. Below this is a 'License' section with a table showing one active license: 'Active' with start date '16-Aug-2024' and expiry date '16-Aug-2027'. At the bottom of the license table are two buttons: 'Remove license' and 'Extend license'. At the bottom of the main content area are three buttons: 'Delete Profile', 'View Statistics', and 'Cancel'. A purple '+ Add' button is visible in the top right corner of the main content area.

**Remove the student's license,** this way they are not able to fully access all the content of the Library app anymore.

**Click 'Extend license'.** A window pops up prompting you to choose a new licence from the pool.

The dialog box titled 'Add license to selected' shows a table with three columns: 'Start date', 'Exp. date', and 'Available'. It lists three licenses, with the second one selected (indicated by a green checkmark). At the bottom, it shows '1 selected / 3 total' and two buttons: 'Cancel' and 'Add License'.

	Start date	Exp. date	Available
<input type="checkbox"/>	05-06-2021	11-30-2021	100
<input checked="" type="checkbox"/>	05-14-2021	08-31-2021	5
<input type="checkbox"/>	06-07-2021	08-31-2021	5

1 selected / 3 total

Cancel Add License

**Remember: only users with active licenses** can access all books in the Library app.

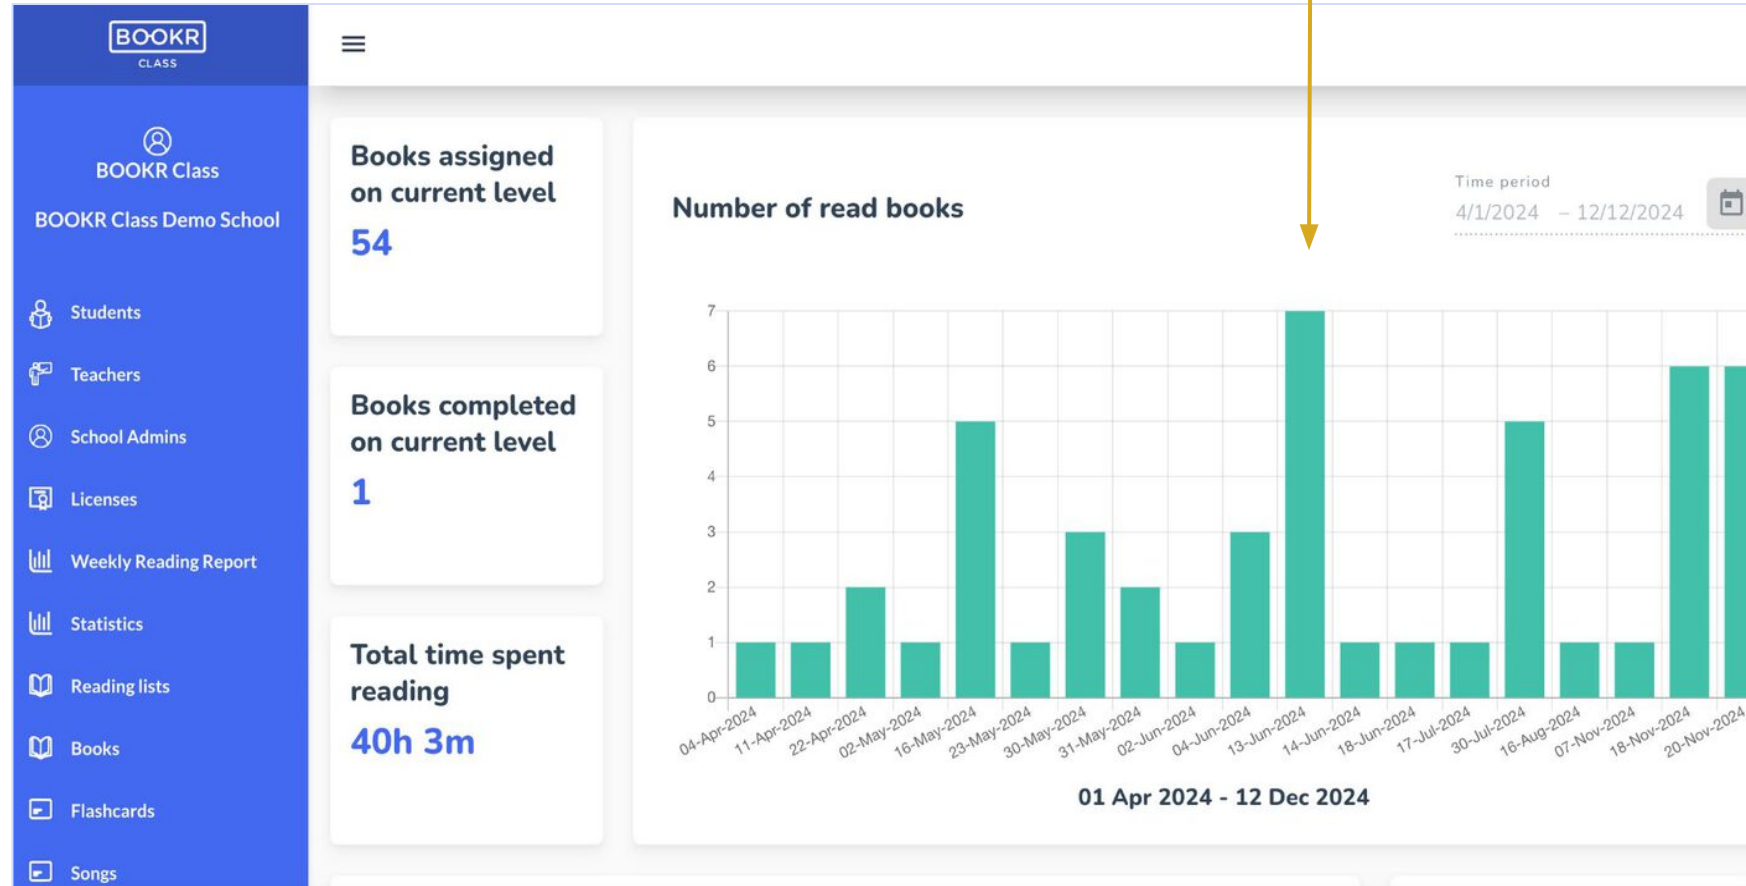

You can assign the **Lexile Placement Test** to your student that will determine their BOOKR level (1-9).

Open the **profile page** of the student.

**BOOKR Score:** This number shows your student's reading achievement summed up. It calculates the average success of all books at their current level, averaged with all books.

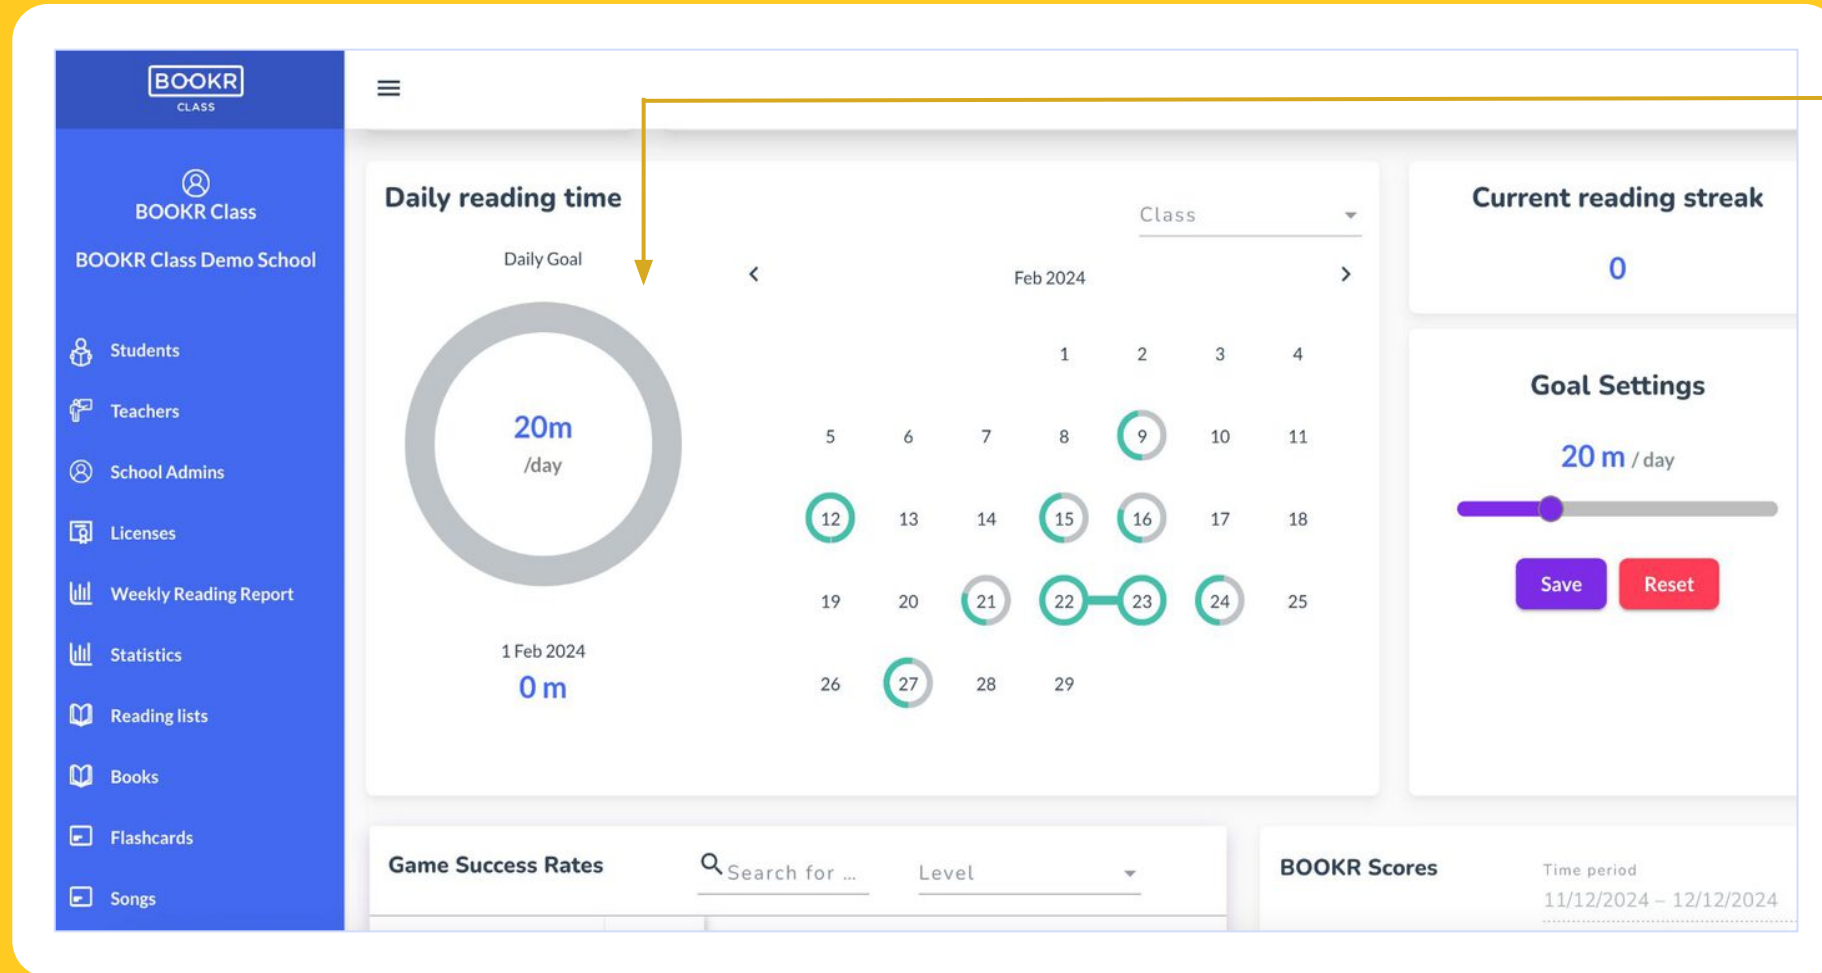

**Level Progress:** This shows you how many books your student have completed on their level.

**Statistics** of the number of books the student read in a set amount of time.

**Set the time period** from which you'd like to generate the student's reading statistics.

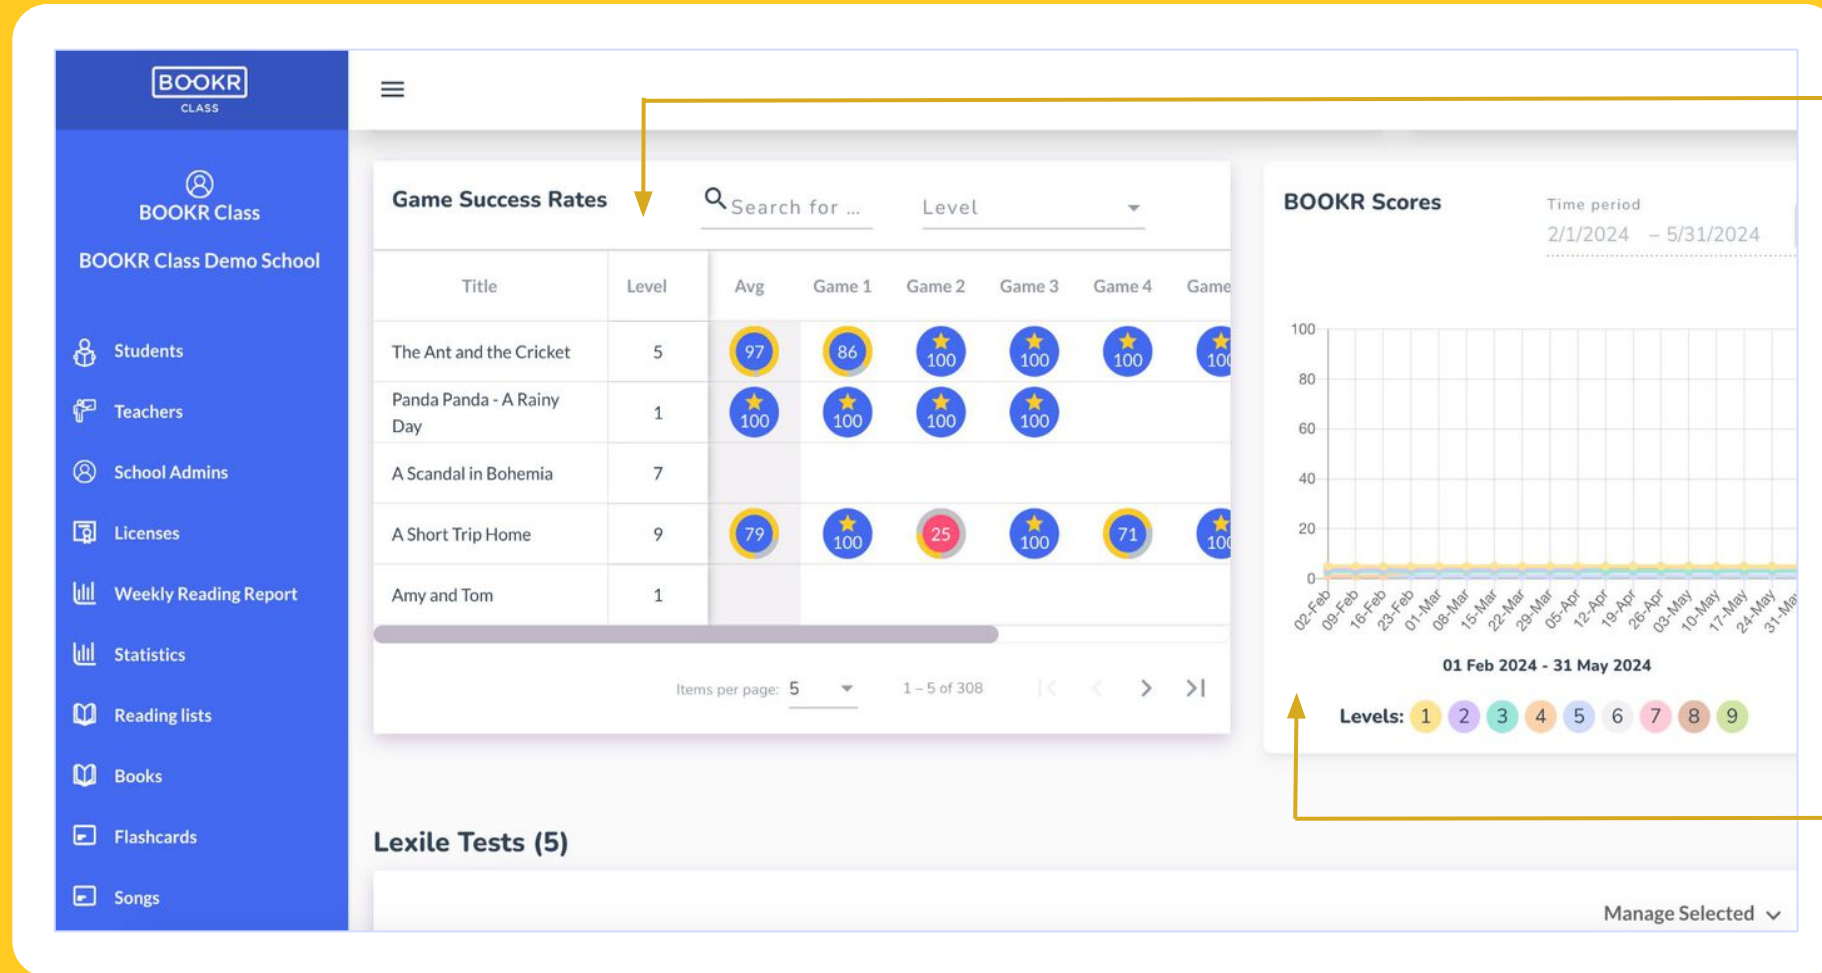

If you hover your mouse over a column, you will see the number of books read on the given day.

You can see if your student achieved the **daily reading time** you set up for them. The grey circle turns green to show the process and is fully green once the goal has been reached.

**Current reading streak:** Shows how many consecutive days the student reached the set daily reading time.

**Goal Settings:** Set the daily reading time goal.

## Game success rates:

This table tells you how well your student did in a game. The numbers in the circles show you the success rate of the completed game.

Use the search and filter option to find the book you are looking for.

**BOOKR Scores:** The lines display the reading achievements for each level. It is based on the average success of all books on a level, averaged with all books.

Use the time filter for a more precise data search,

Here you can see the result(s) of your student's previously taken Lexile Placement Test(s).

## Assign the Lexile Test to your student.

After the test is completed, you will see the score the student received.

Click on '**Add assignment**' and a window will pop up to set the expiration date by which the student must complete the test.

The screenshot displays the BOOKR CLASS interface. On the left is a blue sidebar with navigation icons and labels: BOOKR CLASS, BOOKR Class, BOOKR Class Demo School, Students, Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area is white and features a 'Lexile Tests (5)' section with a table of test results. Below the table is a '+ Add assignment' button. At the bottom, there is a 'Reading Comprehension Tests (6)' section.

Use the **search and filter options** to find the content you are looking for. This way you can easily create **unique curriculum** to your students, assigning them books based on their interests, results or proficiency.

More useful data is displayed at the bottom of the Statistics page.

You can see the same statistics that the student sees in the 'My Profile' view inside the Library application.

Export the full student statistics as a PDF to your device.

# Teacher's Dashboard | Licenses

- Every user in the BOOKR Class system needs to have a **valid license** in order to use the app.
- You can be a registered user and not have a license. In this case you are not able to access all the books in the Library even though you have an account.  
If you are a teacher without a valid license, you do not have access to the Library app but can access the Teacher's Dashboard.
- Each license has a start and end date, starting from the date your school has requested.
- It's important to remember the end date of the licence and renew it before it ends.
- You as a teacher can add or remove student licenses any time.
- Teacher licenses are managed by the School Admin appointed by the school.

See a summary of licences that your school has purchased.

A license can be reassigned to another user as many times as a teacher wants within its expiry.

# Statistics | Student's Individual Statistics

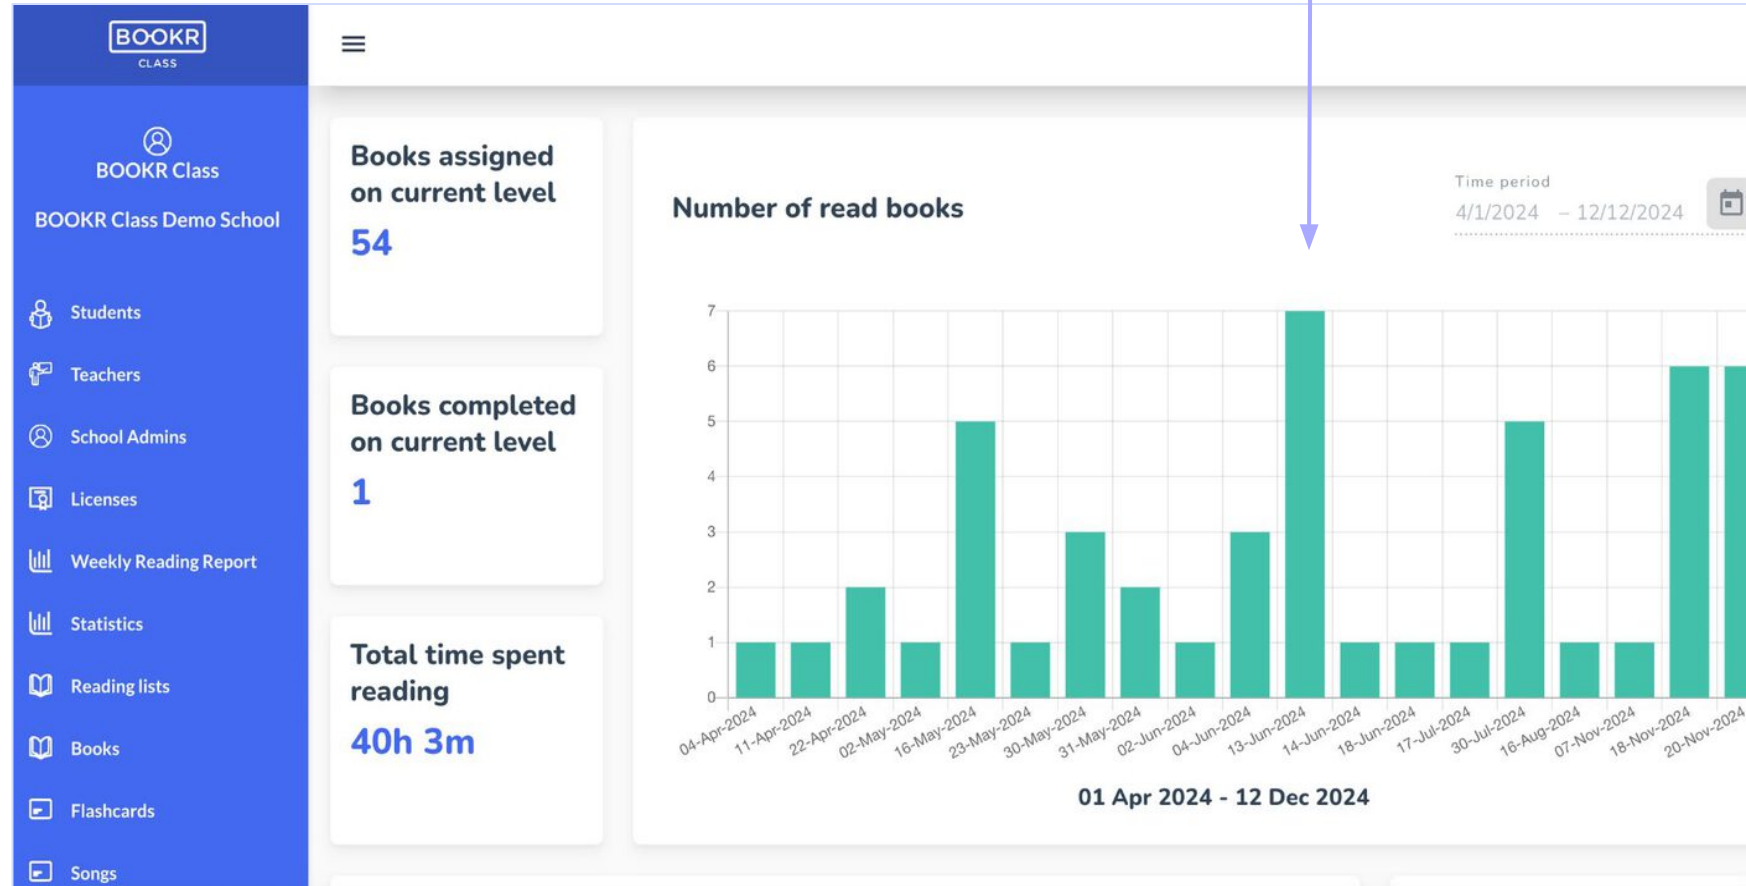

You can assign the **Lexile Placement Test** to your student that will determine their BOOKR level (1-9).

Open the **profile page** of the student.

**BOOKR Score:** This number shows your student's reading achievement summed up. It calculates the average success of all books at their current level, averaged with all books.

**Level Progress:** This shows you how many books your student have completed on their level.

# Statistics | Student's Individual Statistics

**Statistics** of the number of books the student read in a set amount of time.

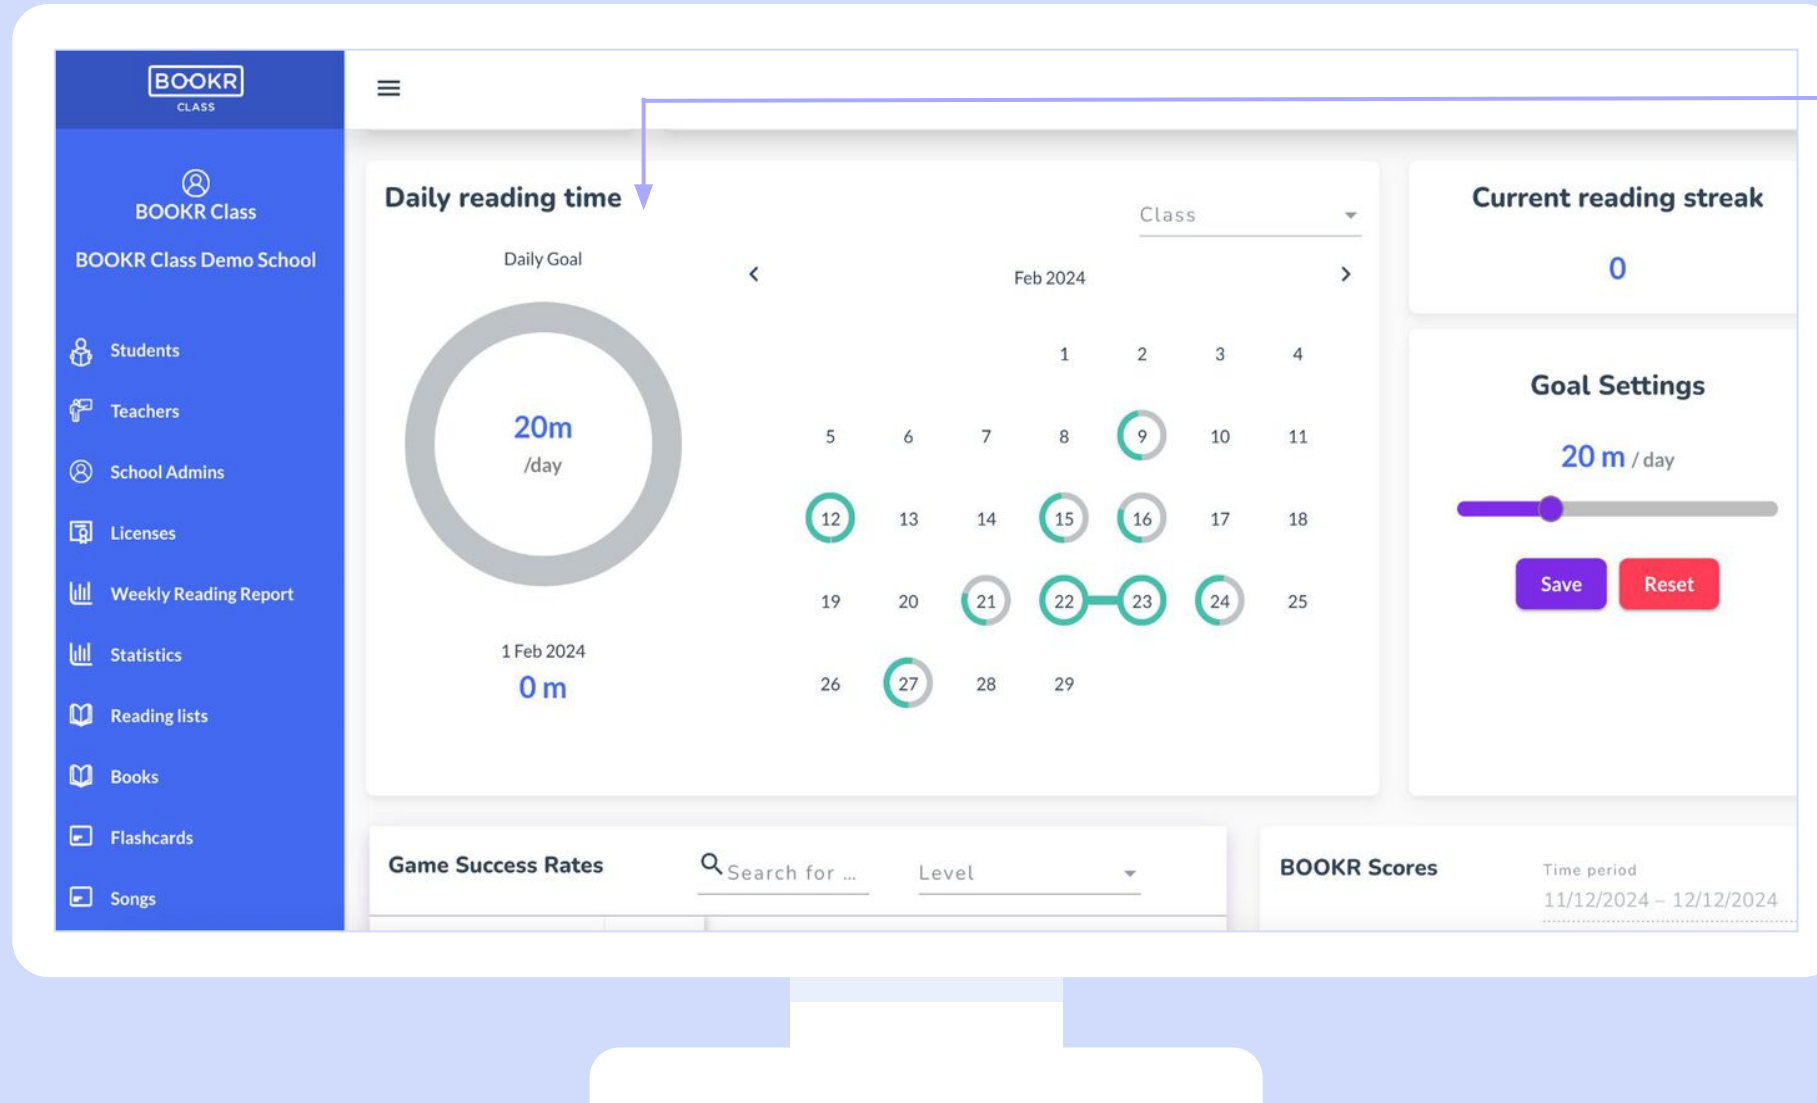

**Set the time period** from which you'd like to generate the student's reading statistics.

If you hover your mouse over a column, you will see the number of books read on the given day.

# Statistics | Student's Individual Statistics

BOOKR  
CLASS

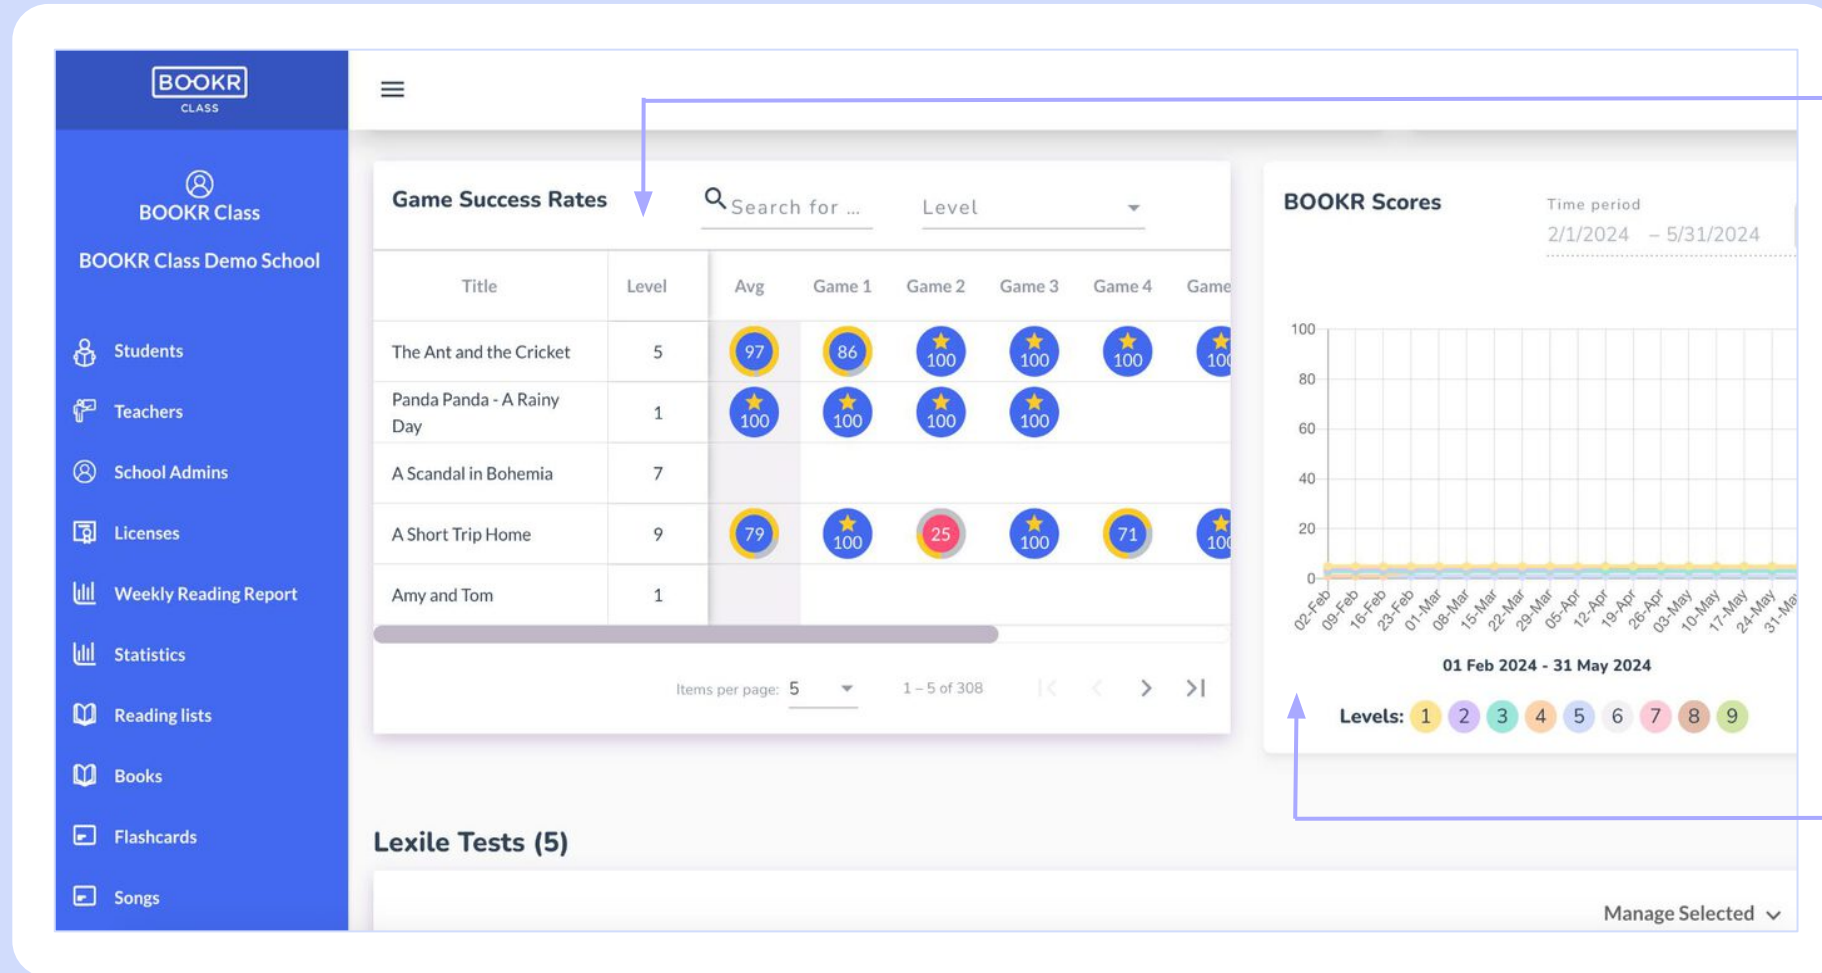

You can see if your student achieved the **daily reading time** you set up for them. The grey circle turns green to show the process and is fully green once the goal has been reached.

**Current reading streak:** Shows how many consecutive days the student reached the set daily reading time.

**Goal Settings:** Set the daily reading time goal.

# Statistics | Student's Individual Statistics

**Game success rates:**  
This table tells you how well your student did in a game. The numbers in the circles show you the success rate of the completed game. Use the search and filter option to find the book you are looking for.

**BOOKR Scores:** The lines display the reading achievements for each level. It is based on the average success of all books on a level, averaged with all books. Use the time filter for a more precise data search,

# Statistics | Student's Individual Statistics

Here you can see the result(s) of your student's previously taken Lexile Placement Test(s).

**Assign the Lexile Test to your student.**

After the test is completed, you will see the score the student received.

Click on '**Add assignment**' and a window will pop up to set the expiration date by which the student must complete the test.

The screenshot displays the BOOKR CLASS interface. On the left is a blue sidebar with navigation links: Students, Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area is titled 'Lexile Tests (5)' and features a table with columns: Assigned From, Score, Test filled at, Deadline, Test Assigned, and Actions. The table lists five tests, with the last two showing scores (249 and 488) and completion dates. Below the table is a pagination bar showing 'Items per page: 10' and '1 - 5 of 5'. A purple button labeled '+ Add assignment' is located at the bottom right of the table area. Below the Lexile Tests section, the 'Reading Comprehension Tests (6)' section is partially visible.

	Assigned From	Score	Test filled at	Deadline	Test Assigned	Actions
<input type="checkbox"/>	dev dev			31-Jul-2024	30-Jul-2024	
<input type="checkbox"/>	BOOKR Class			29-Feb-2024	24-Feb-2024

Arty Mouse Shapes	1	0	pre-A1	0 - 8	Colors and time, Animals and			Manage book

Set the **number of questions** you want to add to the test then click on 'Create test'.

# Books | Reading Comprehension Quiz

Add a **title** to the test, then review the questions.

- Click on the swap icon to **change** the question.
- Click on the 'X' to **delete** that question from the test.

If you want to **change a question**, click on the swap icon, then choose from the dropdown.  
All the **maximum 20 questions / book** are automatically generated by the system using AI.

# Books | Reading Comprehension Quiz

Scroll down and click on 'Assign to Student'.

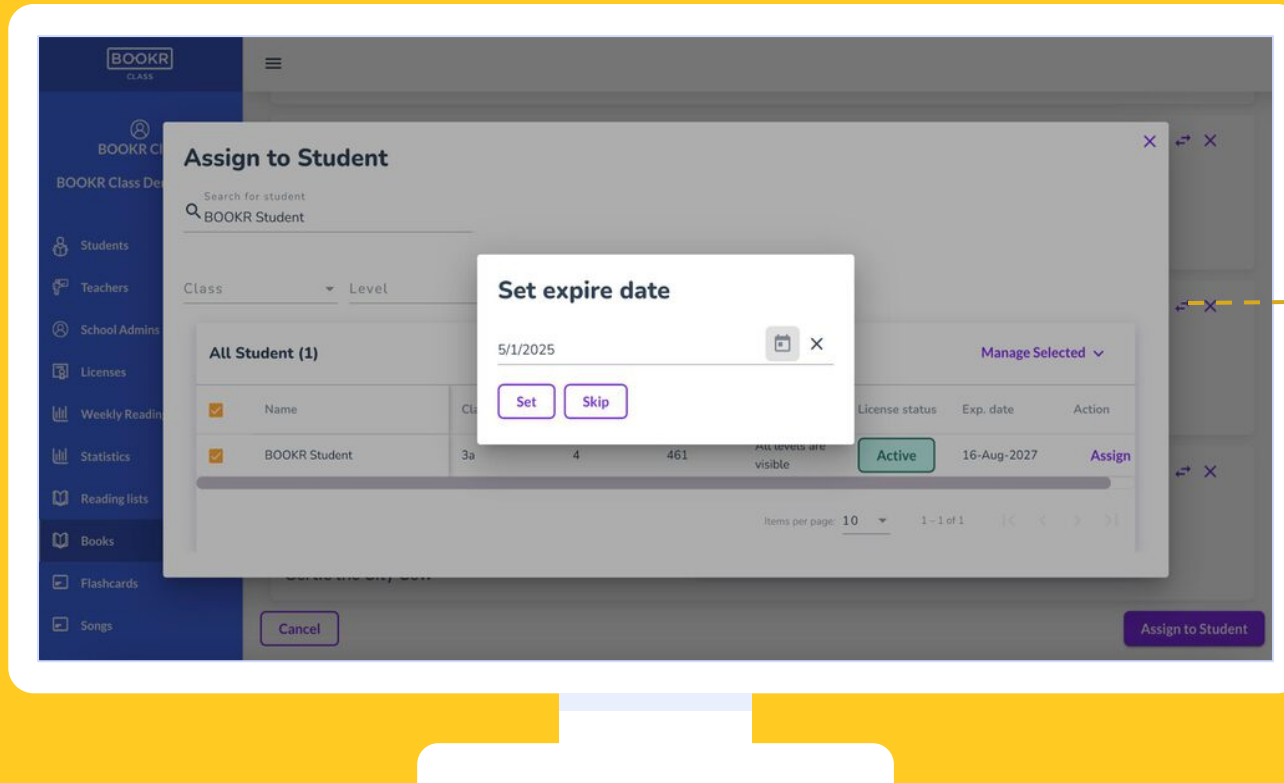

The screenshot shows the BOOKR CLASS interface. On the left is a sidebar with navigation links: BOOKR Class, BOOKR Class Demo School, Students, Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, and Songs. The main content area displays three quiz questions related to 'Gertie the City Cow'. Question 8 asks what Clarabelle thinks will happen to Gertie in the city, with options A (She will enjoy her stay), B (She will come back crying), C (She will have a good night's sleep), and D (She will chat with everybody). Question 9 asks what Gertie says about the air in the city, with options A (It is clean and fresh), B (It is dirty and smelly), C (It is calm and peaceful), and D (It is noisy and crowded). Question 10 asks what Gertie says about the public transport system in the city, with options A (It is great and convenient), B (It is noisy and crowded), C (It is calm and peaceful), and D (It is expensive and small). At the bottom right of the quiz area is a purple button labeled 'Assign to Student'.

The screenshot shows the 'Assign to Student' modal. It has a search bar labeled 'Search for student' and filters for Class (3a), Level, and Licence status (Active). Below the filters is a table titled 'All Student (3)' with columns: Name, Class, Level, Lexile level, Visible Levels, License status, and Action. The table lists three students: Justine Case, Gyányi Dominika, and BOOKR Student. Each student has an 'Assign' button in the Action column. At the bottom of the modal are 'Cancel' and 'Assign to Student' buttons.

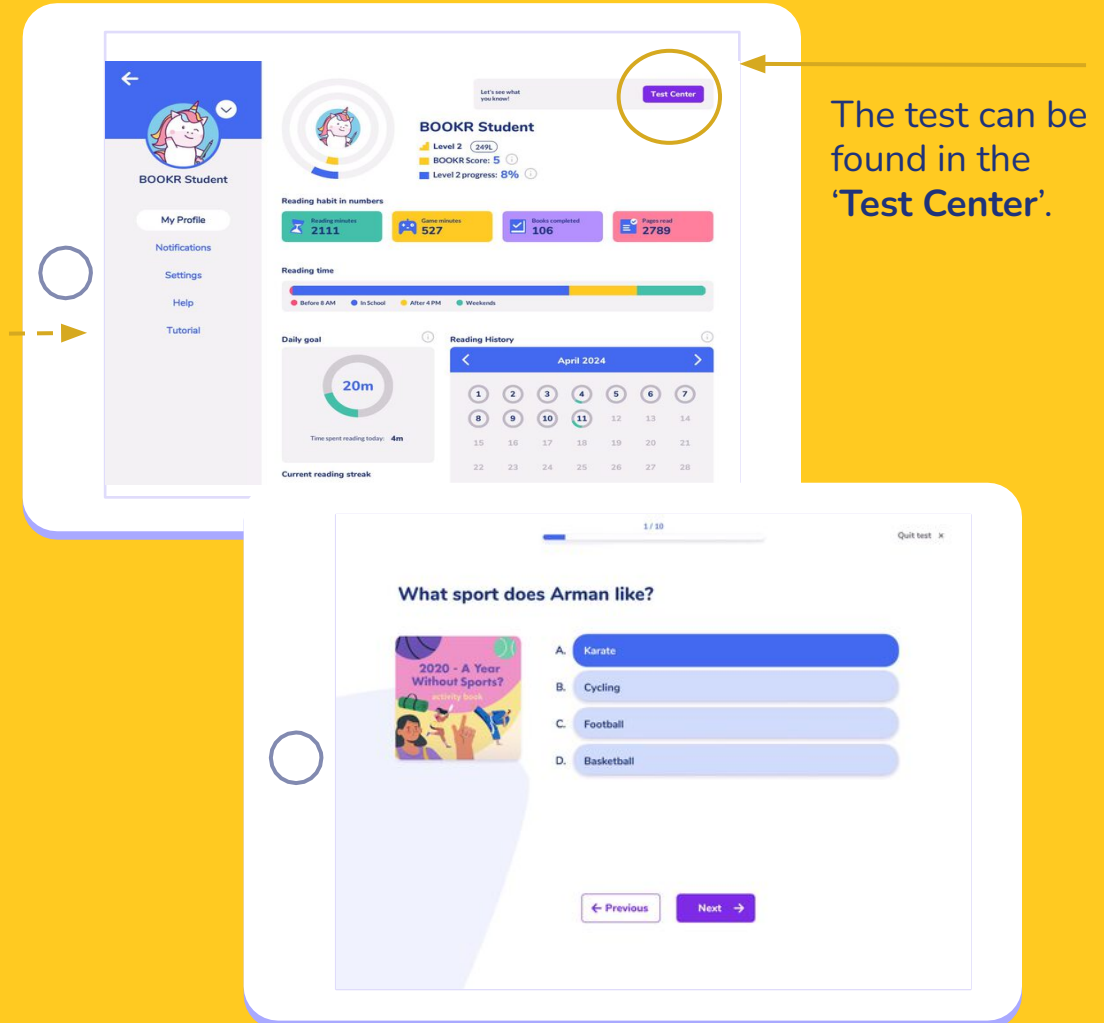

Name	Class	Level	Lexile level	Visible Levels	License status	Action
Justine Case	3a	2	256	All levels are visible	Active	Assign
Gyányi Dominika	3a	1	-148	All levels are visible	Active	Assign
BOOKR Student	3a	4	461	All levels are visible	Active	Assign

Use the search and filter option to find the student(s) you are looking for to assign the test. You can set a date by the time the quiz has to be completed.

# Books | Reading Comprehension Quiz

After the test was assigned to the student(s), they receive a **notification** in the Library application.

# Teacher's Dashboard | Flashcards

**Find all the Flashcards** in this section. Filter the search only to Flashcards that have books in the Library.

You can **search** by keywords and titles, and filter by levels.

Click **'Download PDF'** and a printable version of the flashcards will load in a new window. Print the flashcards to use offline in class.

Click **'Manage flashcard'** and assign them to students or visit the details page of the flashcard set.

# Teacher's Dashboard | Songs and Karaoke

Find all the songs and their karaoke versions in this section. Filter the search only to songs that have printable activity tips.

You can **search** by keywords and titles, and filter by levels.

Click '**Download PDF**' to open in a new window a printable activity tip.

Click '**Manage Song**' and assign them to students or visit the song's details page.

The screenshot displays the BOOKR CLASS Teacher's Dashboard. The sidebar on the left contains navigation links: BOOKR Class, BOOKR Class Demo School, Students, Teachers, School Admins, Licenses, Weekly Reading Report, Statistics, Reading lists, Books, Flashcards, Songs (highlighted with a green arrow), US curriculum planner, Resources, Help Center, and Log out. The main content area is titled 'Songs' and features a search bar, a filter for 'Songs with Activity Tips', and a table of songs. The table has columns for Title, Level, Genre, Coins, Activity Tips, Created At, and Actions. The 'Songs' section shows 72 songs in total.

	Title	Level	Genre	Coins	Activity Tips	Created At	Actions

# Teacher's Dashboard | Resources

Use them as warm-up or wrap-up activities, homework, extra task.. it's up to you.

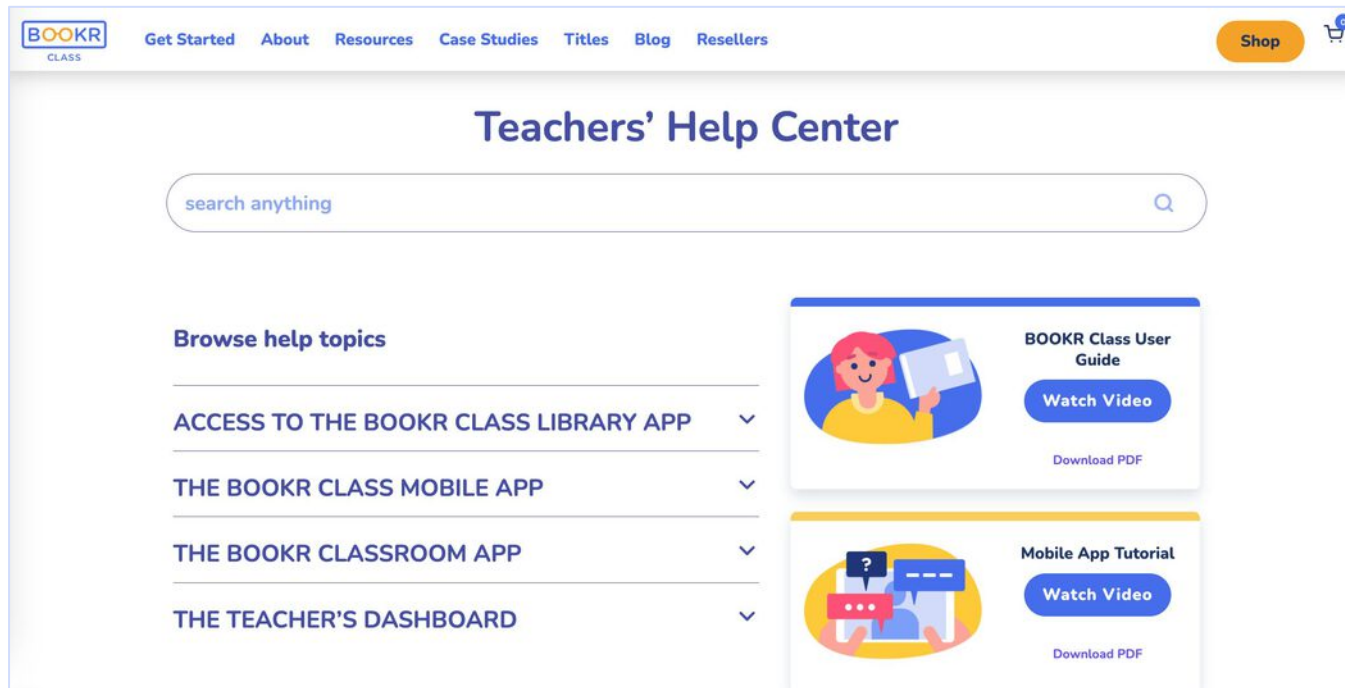

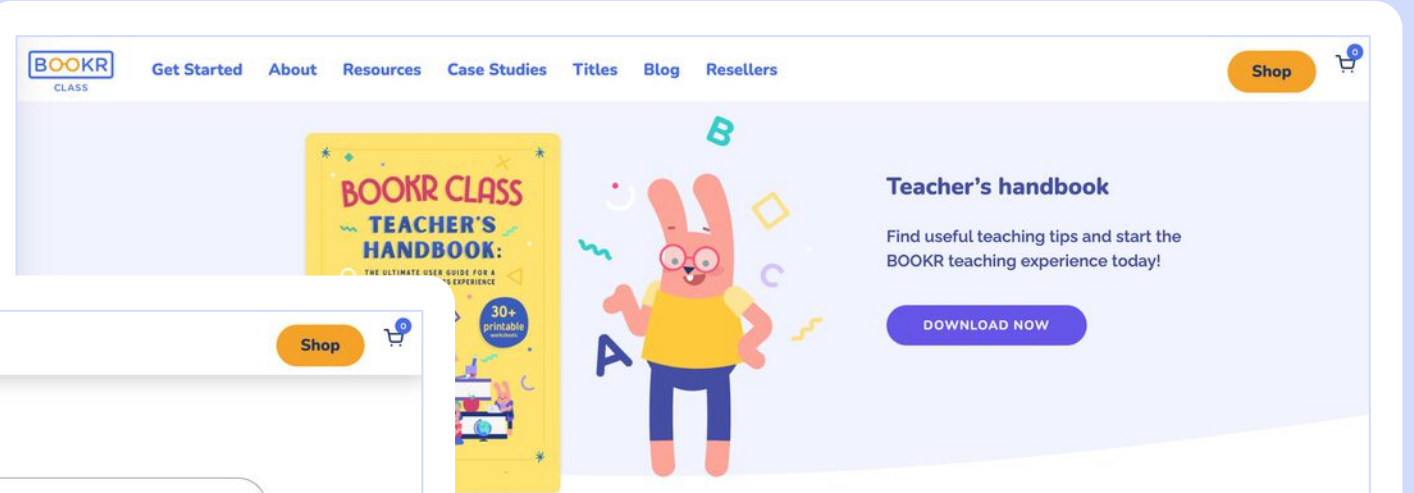

The screenshot shows the 'Worksheets' page on the BOOKR CLASS website. The navigation bar includes links for 'Get Started', 'About', 'Resources', 'Case Studies', 'Titles', 'Blog', 'Resellers', and a 'Shop' button. The main heading is 'Worksheets' with a dropdown arrow. Below this is a filter bar with categories: 'Elementary', 'Low intermediate', 'Pre elementary', 'Pre intermediate', 'Printables', 'Song', and 'Worksheets' (which is selected and has a right arrow). The content area displays three worksheet thumbnails: 'BOOKR Class Letters to Santa' (featuring a girl writing on a letter), 'Five little monkeys' (featuring three monkeys), and 'Foreign Lands' (featuring a globe). Each thumbnail has a lightbulb icon in the top right corner, indicating it is a worksheet. Below each thumbnail is its title and a brief description: 'BOOKR Class Letters to Santa', 'Five little monkeys These naughty monkeys like', and 'Foreign Lands Robert Louis Stevenson was'.

The screenshot shows the 'Activity, Worksheet & Printable Collections' page on the BOOKR CLASS website. The navigation bar is identical to the previous screenshot. The main heading is 'Activity, Worksheet & Printable Collections'. Below this, there are six collection cards arranged in a 2x3 grid. Each card features a colorful illustration of a rabbit character and a title for a month's collection: 'January Collection', 'February Collection', 'March Collection', 'April Collection', 'May Collection', and 'June Collection'. Each card has a 'DOWNLOAD' button at the bottom.

Click on 'Help Center' and visit the BOOKR Class Teacher's Help Center, which includes FAQs, tutorial videos, guides and many other useful resources.
